We channeled our frustration into the development of four project-based learning (PBL) units for second grade that focus on social studies and informational reading and writing. We aimed for these units to engage children in learning that was meaningful to them, was challenging, and had connections to their lives beyond school.

Maps can show you where you are anywhere in the world! A beloved bestseller that helps children discover their place on the planet, now refreshed with new art from Qin Leng. Where are you? Where is your room? Where is your home? Where is your town? This playful introduction to maps shows children how easy it is to find where they live and how they fit in to the larger world. Filled with fun and adorable new illustrations by Qin Leng, this repackaged Me on the Map will show readers how easy it is to find the places they know and love with help from a map.

Learn all about families, leaders, maps, the government, and more with this Grade 2 10-book set of Primary Source Readers. These dynamic primary sources meet the four strands of social studies: history, civics, geography, and economics. This set includes: A Family's Story; Washington's Birthday; Families Through Time; I'll Lead the Way!; Coming to America; Mapping Our World; You and the Law; You and the U.S. Government; Declaring Our Independence; Money and Trade in Our Nation.

A young girl asks questions about growing up as she walks over rolling hills, climbs a ladder up to the stars, and meets a dragon.

Six Timeline Panels, Marker, and Study Guide. Develop your own unique art timelines with this set of special Create-A-Timeline panels with mark and erase surface. Students can research art history, art styles, ancient art, multicultural art, as well as artists and their work, and apply color reproductions, black and white copies, or draw examples that illustrate the time frame being studied. Includes a dry erase marker for marking dates and events which easily wipes off with a dry cloth. Water soluble markers can also be used. Six 27 x 13-inch panels on heavy card stock can be joined to create a timeline over 13 feet long or used individually. Teacher's Guide includes ideas and examples of how to use the timeline panels and has an 8 1/2 x 11-inch reproducible student timeline.

Addressed to K-12 teachers, discusses enhancing student achievement through project-based learning with multimedia and offers principles and guidelines to insure that multimedia projects address curriculum standards.

In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

After learning about maps in school, Lisa maps all the favorite places of her dog Penny.
