A book that talks to guys in the way guys talk! "This book should storm into your living room, demand an audience, and become every husband's best friend!" —Rick Warren, pastor and New York Times best-selling author of The Purpose Driven Life "I love Doug Fields! I love how he lives, how he writes, how he makes me laugh, and how he challenges me to grow. You will too. Men, read this book and improve your marriage!" —Lee Strobel, New York Times best-selling author Having a pulse is all it really takes to fall in love. Staying in love is another matter; staying in love requires a plan and some learned skills. "My primary audience for this book is guys (sorry, sneaky ladies)," says author Doug Fields. "I am writing in a way that most men seem to talk and learn." In 7 Ways to Be Her Hero Fields gives, quite candidly, seven very doable actions to transform any marital relationship, guaranteed. It also includes a bonus chapter for guys to read with their wives. So if you want to understand some simple ways to invest in your marriage and be your wife's hero (again), this is the plan!

An urgent and witty manifesto, Monopolies Suck " lucidly explains how monopolies threaten democracy, worsen inequality, and imperil the American Dream—and why it ' s more important than ever to take action " (David Cicilline). Something ' s not right. No matter how hard you work, life seems to only get harder. When your expenses keep going up but your income stays flat, when you ' re price-gouged buying medicine for your child ' s life-threatening allergy, when you live in a hyped-up state of fear and anxiety, monopoly power is playing a key role. In Monopolies Suck, antitrust expert and director at the Open Markets Institute, Sally Hubbard, shows us the seven ways big corporations rule our lives—and what must be done to stop them. Throughout history, monopolists who controlled entire industries like railroads and oil were aptly called " robber barons " because they extracted wealth from everyone else—and today ' s monopolies are no different. By charging high prices, skirting taxes, and reducing our pay and economic opportunities, they are not only stealing our money, but also robbing us of innovation and choice, as market dominance prevents new companies from challenging them. They ' re robbing us of the ability to take care of our sick, a healthy food supply, and a habitable planet by using business practices that deplete rather than generate. They ' re a threat to our private lives, fair elections, a robust press, and ultimately, the American Dream that so many of us are striving for. In this " accessible guide " (Zephyr Teachout, author of Break " Em Up), Sally Hubbard gives us an easy-to-understand overview of the history of monopolies and antitrust law, and urges us to use our voices, votes, and wallets to protest monopoly power. Emboldened by the previous century when we successfully broke up monopoly power in the US, we have the tools to dismantle corporate power again today—before their lobbying threatens to undermine our economy and democracy for generations to come.

A guided journey for girls who want to break free from the narrow beauty ideals promoted by the media and unleash their own bold brand of gorgeoussness.

The way to executive leadership in the corporate workplace can be a struggle for women of color according to recent studies, and this current environment of health crisis, economic and cultural unrest have made it even moreso. No, Thanks: 7 Ways to Say I'll Include Myself provides a roadmap of affirmations, coaching and actionable steps women of color can take to not only lead, but lead like a rockstar during this unprecedented time and beyond. Based on the career journey of former corporate leader, serial entrepreneur and certified executive & business coach L. Michelle Smith, she shares a simple roadmap to success while weaving in storytelling of her own and those of her own mentors and sponsors from the C-Suite. The book shares insights on knowing one's value, "flipping" white privilege to your advantage, building a rock-solid personal brand that attracts opportunities, leading with excellence and authenticity and more.

Imagine what life with no debt would look like? What would happen if you were to lose your job with no savings? If this has ever crossed your mind, then this is the book for you. " No Time Like The Present ", took place in 2014 when Prynce Michael was not living life in abundance. After being injured on his job, for eight months he found himself homeless, broke, and broken. He had hit rock bottom. Learn how he went from broke to successful business owner and the profound seven secrets that propelled his life forward. " No Time Like The Present " was written with " you " in mind. Everyone deserves a life full of abundance. No one should work forty- hours a week and not have anything to show for it. Your life can change in the blink of an eye. You have nothing to lose. The choice is always yours to make.

" Easy to relate to and fun to read, with sensible advice that doesn ' t require anything but a desire to be healthy. " —Ken Blanchard, coauthor of The One Minute Manager® True wellness is about more than just health—it ' s about living a fulfilling, well-rounded life. It ' s about becoming and being our best selves. Yet from health to jobs to finances, it ' s no secret that people today face a number of seemingly insurmountable barriers to achieving a secure, self-affirming sense of personal well-being. They ' ve tried fad-this and celebrity-that because they want to change, but nothing really works or lasts. Without knowing how to achieve meaningful and sustainable personal change, many of us lack the independence and empowerment to make it happen. Filled with personal, engaging stories, Change Your Mind, Change Your Health reveals proven techniques used by behavioral experts, researchers, health coaches, and psychology professionals to inspire and empower people to embrace the enriching power of change. Change isn ' t an outcome, it ' s a process—a journey of personal independence, self-discovery, and transformation leading to a new, healthier you. Change Your Mind, Change Your Health leads you step-by-step down the path to conquer your challenges and harness and channel your inner power to transform your life for good. Just as the caterpillar becomes a butterfly, the power of change can unlock your hidden beauty and potential to soar. " You are in the hands of one of my favorite friends and colleagues in the wellness field. " —James O. Prochaska, PhD, coauthor of Changing for Good " An excellent resource for anyone seeking permanent health behavior change. " —Kathleen Cullinen, PhD, RD, executive committee for the Academy of Nutrition and Dietetics

What Makes People Charismatic, and How You Can Be, Too Charisma and being social may seem difficult, but you can easily capture people's attention without acting like a fool or being weird. In fact, it's much easier than you think... Psychological research indicates that people form an impression of you within seconds that largely determines whether or not they'll like, trust, and respect you. Research by The Academy of Management also suggests that entrepreneurs' social skills - specifically charisma, plays an important role in their success. Charisma is a simple skill that can be taught, and this book has condensed it into seven ways that will teach you everything you need to become a charismatic person. Which means you can develop genuine charisma without having to own all of the books on social skills! Here's just a tiny fraction of what you'll discover in this book: Why Authenticity Is The Cornerstone Of Real Connections With People. Using Colors To Help You Be Charismatic In Any Situation. Surefire Ways To Impress Anyone With A Great Presentation Styles of Speaking And How To Convey High Value Jokes That Make People Instantly Like You Common Bad Habits That Make People Instantly Dislike You How To Be Charming Without Trying How To Never Run Out Of Things To Say In Conversation How To Be Popular As An Introvert & How Abraham Lincoln Used It To His Advantage How To Be The Coolest Person In The Room And Much, Much More! Take a second to imagine how you'll feel once you have more charisma and are better able to communicate with people. Imagine how it will increase the "positive" things happening in your life. Even if you're awkward in social situations, you can get instant likability with anyone using the seven ways outlined in this book. So if you have a desire to be more charismatic with incredible social skills, then scroll up and click the "buy" button.

Offers advice to parents on how to teach their children to stop bullying, overcome shyness, resolve disputes, resist peer pressure, and accept blame.

Retail Survival of the Fittest: 7 Ways to Future-Proof Your Retail Store is a practical guide to modern-day retail success. Learn how to use mobile technology, big data, and other digital tools to improve your brick-and-mortar store and ensure that it is well-equipped to engage and convert today ' s savvy shoppers. From understanding consumers and boosting customer loyalty to leveraging data and implementing an omnichannel retail strategy, Retail Survival of the Fittest gives you need-to-know lessons on how to adapt to the new and increasingly competitive retail playing field. In addition to providing insights and how-to tips, Retail Survival of the Fittest also introduces you to other successful merchants and shows you exactly what they do to thrive in the modern retail realm. Most important, each chapter comes with a set of action steps to help you implement the tips discussed in the book and enable you to get started on future-proofing your store.

In Seven Ways We Lie, a chance encounter tangles the lives of seven high school students, each resisting the allure of one of the seven deadly sins, and each telling their story from their seven distinct points of view. The juniors at Paloma High School all have their secrets, whether it ' s the thespian who hides her trust issues onstage, the closeted pansexual who only cares about his drug-dealing profits, or the neurotic genius who ' s planted the seed of a school scandal. But it ' s Juniper Kipling who has the furthest to fall. No one would argue that Juniper—obedient daughter, salutatorian, natural beauty, and loyal friend—is anything but perfect. Everyone knows she ' s a saint, not a sinner; but when love is involved, who is Juniper to resist temptation? When she begins to crave more and more of the one person she can ' t have, her charmed life starts to unravel. Then rumors of a student–teacher affair hit the fan. After Juniper accidentally exposes her secret at a party, her fate falls into the hands of the other six sinners, bringing them into one another ' s orbits. All seven are guilty of something. Together, they could save one another from their temptations—or be ruined by them. Riley Redgate ' s twisty YA debut effortlessly weaves humor, heartbreak, and redemption into a drama that fans of Jenny Han and Stephanie Perkins will adore.
