African American Urban books | Urban Fiction Bestsellers

June 8, 2020. Cole Hart. African American Urban fiction has been a topic of contention in the literary community for quite some time now. Genres such as Crime fiction and sci-fi/fantasy have managed to secure a reputation as having numerous titles of literary merit. Even genres such as romance have gradually approached the same level, but one thing apparent in the literary world is that urban fiction has been considered the bottom for decades now.
