Hi I want to rearrange my living room and this includes moving the TV, Sky box etc to the other side of the room (approx 12 feet away). At the moment, my Sky dish is on the back of the house and the cabling comes in through the back wall to the dining room, along the skirting board there, through the adjoining wall into the living room, where it is plugged into the sky box, TV etc.

Moving TV & Sky to Other Side of Room — MoneySavingExpert...

That other side is the 8th rank of the chess board, also referred to as the back rank where all the pieces besides the pawn are placed from the start of the game. If you have watched chess games that seem to have excess chess pieces of one type, you might want to learn how it is done. In this article, we are going to learn what happens when your pawn reaches the other side.

What happens when a pawn reaches the other side ...

The Other Side, also known as O.S., was a criminal organization. They were the main antagonists of the series. However, since Zane Willis had gotten captured, they fell into disarray. They were finally dissolved for good in The Final Chapter when all the remaining Other Side agents were presumably captured by the Coopers.
