Art Of Punk | Discography | Discogs

Apr 28, 2014 - One characteristic associated with punk art is the usage of letters cut out from newspapers and magazines, a device previously associated with kidnap and ransom notes. A prominent example of that style is the cover of the Sex Pistols' Never Mind the Bollocks album designed by Jamie Reid.

8 Punk Art ideas | punk art, art, punk - Pinterest

Punk visual art is artwork associated with the punk subculture. It often graces punk rock album covers, flyers for punk concerts, punk zines and punk websites. It is also sometimes showcased in art galleries and exhibition spaces. The main aesthetic of punk visual art seems to be either to cause shock, to create a sense of empathy or revulsion in viewers, or to make a grand point with acidic or sarcastic wit. One characteristic associated with punk art is the usage of letters cut out from newspa

Punk visual art - Wikipedia

Art punk is a subgenre of punk rock in which artists go beyond the genre's rudimentary garage rock and are considered more sophisticated than their peers. These groups generated punk's aesthetic of being simple, offensive, and free-spirited, in contrast to the angry, - working-class audience generated by pub rock.

Art of Punk — Merge Festival

Steampunk is influenced by and often adopts the style of the 19th-century scientific romances of Jules Verne, H. G. Wells, Mary Shelley, and Edward S. Ellis's The Steam Man of the Prairies. Several more modern works of art and fiction significant to the development of the genre were produced before the genre had a name.

Designs For Life: Celebrating The Art Of Punk | uDiscover

The revolutionary do-it-yourself ethic of punk was applied to the aesthetic of design as much as it was to music, and record sleeves acted as lo-fi signifiers of anarchy, style, fashion, politics and more with an urban and suburban invective courtesy of the 1000s of new bands - punk, post-punk, pre-punk, nearly-punk and more - that emerged at the end of the 1970s.

This lavishly illustrated book celebrates a wide range of punk design in posters, flyers, album cover art, fanzines and fashion ephemera from T-shirts to badges.It is almost impossible to believe that the posters, flyers and other punk ephemera were once used and discarded. But despite such humble origins, this groundbreaking artwork continues to have an impact on music, fashion and media today. All the classic bands, like the Ramones, the Sex Pistols, the Damned and the Clash are covered as are numerous rare and wonderful items from around the world.Includes 225 illustrations from anonymous and uncredited artworks to pieces by UK artists including Jamie Reid, Malcolm Garrett, Linder Sterling, Peter Saville, Barney Bubbles and US artists including Lindsey Kuhn, Raymond Pettibon, Winston Smith, John Seabury, Art Chantry, Paul Imagine and many more.

This is the first ever comprehensive review of punk art/design ever published.

Punk rock gave birth to an art movement that was little appreciated at the time but soon became influential around the globe. This is the first book to chronicle the art of punk style, from concert posters and flyers to fanzines and record sleeves, T-shirts, buttons, comic books, and much more. The story begins with the godfathers of punk—the Velvet Underground, MC5, the Ramones, New York Dolls, and Patti Smith—and the distinctive aesthetic these bands launched thanks to impresarios like Andy Warhol. Punk broke big in 1976 and 1977 with American and British groups such as the Sex Pistols, the Damned, the Clash, the Germs, and more, and continues today with bands like Green Day and Rancid. The bands created a reactionary, do-it-yourself art designed to shock, amaze, and stand out from the blandness of the 1970s. This groundbreaking style continues to impact design, music, and fashion today. This collection of more than 900 images is a rare look at punk design since so much of it was made as throwaway art and few originals have survived. The authors have collected an incredible gallery of images, plus interviews with the artists, poster designers, and musicians who were there on the frontlines of punk rock.

Examines the impact of punk on fashion, focusing on its do-it-yourself, rip-it-to-shreds ethos, the antithesis of couture.

A broad collection of stickers presented in chapter according to subject

Visual Vitriol: The Street Art and Subcultures of the Punk and Hardcore Generation is a vibrant, in-depth, and visually appealing history of punk, which reveals punk concert flyers as urban folk art. David Ensminger exposes the movement's deeply participatory street art, including flyers, stencils, and graffiti. This discovery leads him to an examination of the often-overlooked presence of African Americans, Latinos, women, and gays and lesbians who have widely impacted the worldviews and music of this subculture. Then Ensminger, the former editor of fanzine Left of the Dial, looks at how mainstream and punk media shape the public's outlook on the music's history and significance. Often derided as litter or a nuisance, punk posters have been called instant art, Xerox art, or DIY street art. For marginalized communities, they carve out spaces for resistance. Made by hand in a vernacular tradition, this art highlights deep-seated tendencies among musicians and fans. Instead of presenting punk as a predominately middle-class, white-male phenomenon, the book describes a convergence culture that mixes people, gender, and sexualities. This detailed account reveals how members conceptualize their attitudes, express their aesthetics, and talk to each other about complicated issues. Ensminger incorporates an important array of scholarship, ranging from sociology and feminism to musicology and folklore, in an accessible style. Grounded in fieldwork, Visual Vitriol includes over a dozen interviews completed over the last several years with some of the most recognized and important members of groups such as Minor Threat, The Minutemen, The Dils, Chelsea, Membranes, 999, Youth Brigade, Black Flag, Pere Ubu, the Descendents, the Buzzcocks, and others.

One of The Globe and Mail's Best Books of 2015 "A punk primer for the youngest set....Yi's incredibly detailed clay figures are a kinetic and inspired art choice. Their crazy creativity matches the expressive spirit of punk....As [Morse] points out, the best way to learn about punk it just to listen....If invested adults love the topic, a shared reading experience can't be beat." --Kirkus Reviews "Clay artist Yi molds...fantastically detailed Plasticine figures to create scenes of the birth of punk. Using a benign craft-project material for the skinny bodies and ragged clothing of Joey Ramone, Sid Vicious, and their rowdy, fist-waving audiences is very much in the spirit of punk (Plasticine is especially good for mohawks), and readers will spend long stretches inspecting her painstakingly modeled guitars, amplifiers, and safety pins." --Publishers Weekly "Why It's Wild: A history of punk music for kids illustrated in Gumby-esque claymation (minus the –mation)." --School Library Journal, 100 Scope Notes's "Wildest Children's Books of 2015" "What is Punk? is fun, sophisticated and beautifully illustrated introduction to the music genre for kids--or adults." --New York Daily News "Reading What is Punk? to [my kids] made me feel as if I was passing on something truly significant. Morse and Yi have created a comprehensive and articulate...documentary about the roots of punk rock." --The Globe and Mail "An essential way to pass down to your son or daughter the lesson that pop culture can be political." --The Globe and Mail, 100 Best Books of 2015 "A cool book of punk history for kids by Eric Morse, with great clay illustrations by Anny Yi." --Slate, Mom and Dad Are Fighting podcast "Eric Morse's book What Is Punk? explains the envelope-pushing genre to the younger set, and perhaps some adults, as well." --St. Louis Public Radio "Think Wallace & Grommet with liberty spikes and anarchy patches...While [Anny Yi's] images of Johnny Rotten and Henry Rollins are cute, they're presented as live action dioramas that are adorable, accurate and engaging." --San Diego City Beat "While What Is Punk? is undeniably a children ' s book, it can serve as a history lesson for potential fans of any age....What Is Punk? exposes the reader to the rebellious sub-culture in a friendly, educative manner." --Alternative Press "A fun little book intended to serve as (rhyming) curriculum for little punks learning their Punk History 101....Sid, Glenn, and Milo meet Wallace and Gromit." --Razorcake "Pairing Yi's Wallace & Gromit-style clay pictorials with Morse's rhyming ride through the history of punk music across the globe, the children ' s book is ready to raise the next generation of riot grrrls....You're going to want to give What Is Punk? as a gift at every baby shower this year. Just don't be surprised if your niece ends up bleaching her hair blonde and tearing up her leather jacket at age 6." --Bustle "Written by Trampoline House founder Eric Morse in classically Suessical iambic, the book is lusciouly illustrated with photographs of Play-Doh recreations of Play-Doh recreations of all mommy's and daddy's favorite punk heroes: the Ramones, Iggy and the Stooges--and Debbie Harry, David Byrne, David Johansen, Tom Verlaine, and Lou Reed all standing in front of CBGBs." --Bedford & Bowery What Is Punk? is a must-read pop-culture primer for children--an introduction to the punk revolution, recreated in vivid 3-D clay illustrations an

Illustrated narrative of the evolution, realization, and legacy of the punk aesthetic - from the marginal cultural catalysts behind the movement through the musicians and artists who fourished in its prime to the traces still visible in popular culture today

“ The best book on The Who. Stanfield understands that they were built entirely around opposition—they didn’t want to be The Beatles or The Stones; they didn’t even want to be The Who most of the time. He smartly states the case for peak Who as transgressive . . . the closest thing to Pop art British music has ever produced. ” —Bob Stanley, author of Yeah Yeah Yeah: The Story of Modern Pop “ With impressive eloquence, A Band with Built-In Hate situates ’60s Britain’s most volatile and incendiary group at the heart of pop’s wild vortex. . . . Stanfield digs brilliantly into The Who’s transgressions, their up-ending of pop music into art-rock and proto-punk. He can see for miles. ” —Barney Hoskyns, author of Major Dudes: A Steely Dan Companion and creator of Rock’s Backpages “ Ours is music with built-in hatred. ” —Pete Townshend, cofounder of the Who This book is a biography of the Who unlike any other. From their inception as the Detours in the mid-sixties, to the late seventies, post-Quadrophenia, the Who are pictured through the prism of pop art and the radical leveling of high and low culture that it brought about—a drama that was consciously and aggressively performed by the band. Peter Stanfield lays down a path through the British pop revolution, its attitude and style, as it was uniquely embodied by the band: first, under the mentorship of arch-mod Peter Meaden, as they learned their trade in the pubs and halls of suburban London; and then with Kit Lambert and Chris Stamp, two aspiring filmmakers, at the very center of things in Soho. Guided by the concerns of contemporary commentators—among them George Melly, Lawrence Alloway, and, most conspicuously, Nik Cohn—Stanfield tells the story of a band driven by fury, and of what happened when Pete Townshend, Roger Daltrey, Keith Moon, and John Entwistle moved from backroom stages to international arenas, from explosive 45s to expansive concept albums. Above all, he tells of how the Who confronted their lost youth as it was echoed in punk.

The author's original Book of Lists is a worldwide phenomenon that has sold over 8 million copies. The Punk Book of Lists will feature approx 200 lists - culled from the historical archives and many generated by noteworthy musicians, lists have been put together by film directors, writers, actors, you name it. Punk Rock is cool and the impact has hit every hip person on the planet! Over 50 wicked caricatures of punk rock stars, by noted underground artist Cliff Mott, are peppered generously throughout the book. You don't have to be punk to love the coolest rock 'n' roll toilet-reading, time-wasting masterpiece ever! Absolutely a jewel in the canon of great music books!
