As the book's title suggests, guilt is a primary theme of Atonement. After she realizes the damage that her callous testimony has wrought, Briony spends a lifetime burdened by her guilt and attempting to atone for her misdeeds. Instead of going to college, she becomes a nurse, perhaps sensing a duty to help soldiers like Robbie. She

The contrast between order and chaos appears as a theme throughout *Atonement*, with McEwan seeming to advocate a healthy balance between the two. Briony's impeccably tidy room and need for absolute control over her own narrative represents order. Meanwhile, the aimless Cecilia, with her impulsive nature and messy room, represents chaos.

McEwan takes Austen's theme of the process of the dangers of transferring fiction to real life, but also of the process of atonement for such deeds. When Catherine reads the letter, she has "tears of shame." Just like Briony, she becomes aware of her crime.

Atonement Introduction.

Atonement, published in 2001, is a book about screwing up. It's by Ian McEwan—a serious and critically acclaimed big-deal novelist who won the Booker Prize, so when he writes about screwing up, you can be sure it's not your garden variety oops-I-washed-my-jeans-with-a-pen-in-the-pocket kind. The stakes are a whole lot higher—and by higher, we're talking falsely-accusing-your-sister's-boyfriend-of-a-horrible-crime-and-ruining-her-life higher.

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably.

Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

On a hot summer day in 1935, thirteen-year-old Briony Tallis witnesses a moment's flirtation between her older sister, Cecilia, and Robbie Turner, the son of a servant and Cecilia's childhood friend. But Briony's incomplete grasp of adult motives—together with her precocious literary gifts—brings about a crime that will change all their lives. As it follows that

masterful novel set within a single day in February 2003. Henry Perowne is a contented man – a successful neurosurgeon, happily married to a newspaper lawyer, and enjoying good relations with his children. Henry wakes to the comfort of his large home in central London on this, his day off. He is as at ease here as he is in the operating room. Outside the hospital, the world is not so easy or predictable. There is an impending war against Iraq, and a general darkening and gathering pessimism since the New York and Washington attacks two years before. On this particular Saturday

morning, Perowne's day moves through the ordinary to the extraordinary. After an unusual sighting in the early morning sky, he makes his way to his regular squash game with his anaesthetist, trying to avoid the hundreds of thousands of marchers filling the streets of London, protesting against the war. A minor accident in his car brings him into a confrontation with a small-time thug. To Perowne's professional eye, something appears to be profoundly wrong with this young man, who in turn believes the surgeon has humiliated him – with savage consequences

NOW A MAJOR MOTION PICTURE  
The #1 bestselling author of Saturday and Atonement brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history

student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to
