Exceeding expectations rather than simply satisfying them is the cornerstone of the Disney approach to customer service. Be Our Guest specializes in helping professionals see new possibilities through concepts not found in the typical workplace, revealing even more of the business behind the magic of quality service.

Now, for the first time, one element of the methods behind the magic that is the Walt Disney World Resort--quality service--is revealed. The book outlines proven Disney principles and processes for helping an organization focus its vision and align its people into a strategy that delivers on the promise of exceptional customer service.

In a brand-new series, the Disney Institute reveals the strategies that have sealed Disney's extraordinary reputation in a highly competitive and ever-evolving business environment. This edition features anecdotes and case studies from various companies that describe how they adopted the techniques learned in the Institute's seminars to create an environment that nurtures success.

Welcome to the Parker Palm Springs, where you'll experience a delightful time away, filled with everything you'd expect from a sunny, California vacation. There's tennis courts and a lemonade stand, a gorgeous pool, and a lawn for croquet. But, the other guests and staff are more than a little unexpected . . . From the New York Times bestselling photographer of Beaches, Gray Malin, comes Be Our Guest!, Malin's first children's picture book, compiled from his acclaimed series of photographs Gray Malin at the Parker Palm Springs. If Eloise had lived in an animal-only hotel, it would have had the style and whimsy of the Parker. Just reading Be Our Guest! will whisk children away on a temporary holiday, which is nothing less than extraordinary.

Drawing on the concepts and principles taught at the Disney Institute, a former Disney executive introduces a series of strategies designed to promote "magic" within any organization, enhanced by real-life anecdotes and sound business advice.

A thought-provoking meditation on food, family, identity, immigration, and, most of all, hospitality--at the table and beyond--that's part food memoir, part appeal for more authentic decency in our daily worlds, and in the world at large. Be My Guest is an utterly unique, deeply personal meditation on what it means to tend to others and to ourselves--and how the two things work hand in hand. Priya Basil explores how food--and the act of offering food to others--are used to express love and support. Weaving together stories from her own life with knowledge gleaned from her Sikh heritage; her years spent in Kenya, India, Britain, and Germany; and ideas from Derrida, Plato, Arendt, and Peter Singer, Basil focuses an unexpected and illuminating light on what it means to be both a host and a guest. Lively, wide-ranging, and impassioned, Be My Guest is a singular work, at once a deeply felt plea for a kinder, more welcoming world and a reminder that, fundamentally, we all have more in common than we imagine.

The Method of Walt Disney. Don't let them fool you. The magic of Disney is really method. Walt Disney developed sophisticated yet common-sense methods for everything he did, from films to theme parks. Once you know those methods, you can create some magic, too.
