Yet to be proven by science, God appears frequently in A Brief History of Time, largely in the places where science does not yet have an answer.

Stephen Hawking often considers whether God would fit into various

# Online Library Brief History Of

Time  
models of the universe.  
For example, there is  
lots of room for an  
omnipotent creator in  
the big bang theory, but  
less so in a universe that  
has no boundaries, and  
therefore no beginning.
