“Having had a spiritual awakening as the result of these Steps, we tried to carry this message to others, and to practice these principles in all our affairs.” -STEP 12 of the TWELVE STEPS Sponsorship is a key construct in A. A. and other Twelve Step groups, and the twelfth step is the foundation of the sponsorship dynamic essential to recover – both for the sponsor and the sponsoree. This book addresses the concern of many in the A. A. community that sponsors have lost some skills in working with alcoholics. By offering tools for helping others find recovery and new life through the Twelve Step program, Joe McQ has created a guide for sponsors to use in working with others. By refocusing his readers on the Big Book, the Twelve Steps, and their message, McQ appeals for a return to the roots and essence of the A. A. program. Moreover, he issues a strong call to action, for return to the fullness and the integrity of the miraculous recovery program.

Alcoholics Anonymous (also known as the Big Book in recovery circles) sets forth cornerstone concepts of recovery from alcoholism and tells the stories of men and women who have overcome the disease. The fourth edition includes twenty-four new stories that provide contemporary sharing for newcomers seeking recovery from alcoholism in A.A. during the early years of the 21st century. Sixteen stories are retained from the third edition, including the "Pioneers of A.A." section, which helps the reader remain linked to A.A.'s historic roots, and shows how early members applied this simple but profound program that helps alcoholics get sober today. Approximately 21 million copies of the first three editions of "Alcoholics Anonymous" have been distributed. It is expected that the new fourth edition will play its part in passing on A.A.'s basic message of recovery. This fourth edition has been approved by the General Service Conference of Alcoholics Anonymous, in the hope that many more may be led toward recovery by reading its explanation of the A.A. program and its varied examples of personal experiences which demonstrate that the A.A. program works.

This book takes the next step into Step Twelve: 'Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs', and examines what the Big Book of Alcoholics Anonymous prescribes. The words of this book's title are said aloud every day by thousands of people meeting together to help each other recover from addiction.s the addictions may be to alcohol or cocaine, gambling or food, violence or sex, but the path to recovery is the same. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.
