English, xiv, 546 pages : 26 cm. "Comparative Politics of the Third World offers just the right blend of theory and substance to introduce students in a meaningful way to the developing - or not developing - world. Avoiding overgeneralization on the one hand and the problems of a strictly country-by-country approach on the other, authors Green and Luehrmann consistently link concepts pertaining to history, politics, economics, and international relations to a set of eight case studies: the ...
