"This night, when the sky will be veiled by darkness, which will swallow Earth, I'll come to you-not in person but in a dream when I'm free as a bird. I'll come to see you, to please my heart regardless of the fact that my heart doesn't matter to you anymore, because it loves you like it did when it still believed in your love. This night, when the world slips into peaceful sleep, when the stars come out to replace the sun, I'll come to you to please my eyes, which still yearn to see you. Put your arms around me, kiss me in your dream, and deceive my heart again, as you did before. Kiss my eyes to make them believe you're the one who you pretended to be. The world without you is called loneliness, and loneliness is soul pain, yearning for you. If just once I could visit you in a dream, to awaken your sleeping heart, to rekindle the fire that used to burn in it, I would be lonely no more."

Winner - The National Indie Excellence Awards, Gay/Lesbian Non-Fiction Category GAYTUDE: a poetic journey around the world features bilingual poetry (English-French) written, translated and adapted by Albert Russo and Adam Donaldson

Powell; with photography by Albert Russo. *Gaytude* is published by Xlibris Corporation, USA, copyright 2009 by Albert Russo and Adam Donaldson Powell, 335 pages, in both hardcover and softcover editions: ISBN hardcover: 978-1-4363-6396-9 and ISBN softcover: 978-1-4363-6395-2. *Gaytude* is available from Xlibris, Barnes and Noble, Target, Alibris, Amazon (US, France, UK, Canada, Germany, Japan) as well as from numerous bookdealers in many countries. *Gaytude* is a poetic study of both the universality and the diversity of gay experience ... an experience of confluence whereby individual love, lust and identity are constantly in tandem and conflict with collective mores, customs, codes and trends. In a sense, we are all gay ... inasmuch as we all seek the right to be different, as well as to be the same. For some, the pot of gold at the end of the rainbow is recognition and acceptance ; and for others it is perhaps the excitement of covert intimacy and adventure. This book is dedicated to all gays, including those who flaunt their sexual orientation freely and those who still remain secretive or inactive due to still ongoing risks of abuse, harassment and execution. One day, men all over the world will be able to proudly quote from Catullus 16 - this time with pride and loving spirit: "Pedicabo ego vos et irrumabo" . Dr. Santosh Kumar (Editor of The Taj Mahal Review, India) has written the following about *Gaytude*: Albert Russo and Adam Donaldson Powell's «*Gaytude*, a poetic journey around the world», makes it evident that gay poetry always has a distinctive voice, because a gay poet suffers from a sense of ostracism, of being excluded by others due to differences ... The poems by Russo and Powell are marked with outsiderhood, the sense of being different from the fashionable or 'straight' writing. *Gaytude* est une vision poétique, tant de la diversité, que de l'universalité de l'expérience gay ... elle est la confluence dans laquelle l'amour individuel, le désir et l'identité, sont à la fois, constamment en tandem et en conflit avec les moeurs, les coutumes, les codes de conduite et les tendances de la société. D'une certaine manière, nous sommes tous gay ... dans la mesure où nous voulons tous jouir du droit d'être différent, et en même temps, de rester ce que nous sommes essentiellement. Pour certains, la plus belle chose qui soit au monde est la reconnaissance et l'acceptation, pour d'autres, c'est l'aventure qui prime, l'excitation d'une intimité secrète. Ce livre est dédié à tous les gays de la terre, aussi bien à ceux qui proclament haut et fort leur homosexualité, qu'à ceux qui ne la mettent pas en avant, ou qui la cachent, de peur d'être pointés du doigt, de subir quolibets et agressions, voire pire, de se faire emprisonner, fouetter ou même tuer, dans ces pays, encore si nombreux, aux régimes régressifs, qui les considèrent encore comme des malades ou des criminels. Un jour, les gays du monde entier pourront citer Catulle sans rougir : "Pedicabo ego vos et irrumabo". A Dubious Past examines from a new perspective the legacy of Ernst Jünger (1895-1998), one of the most fascinating figures in twentieth-century German intellectual life. From the time he burst onto the literary scene with *The Storms of Steel* in the early 1920s until he reached Olympian age in a reunited Germany, Jünger's writings on a vast range of topics generated scores of controversies. In old age he became a cultural celebrity whose long life mirrored the tragic twists and turns of Germany's most difficult century. Elliot Neaman's study reflects an impressive investigation of published and unpublished material, including letters, interviews, and other media. Through his analysis of Jünger's work and its reception over the years, he addresses central questions of German intellectual life, such as the postwar radical conservative interpretation of the Holocaust, divided memory, German identity, left and right critiques of civilization, and the political allegiances of the German and European political right. *A Dubious Past* reconceptualizes intellectual fascism as a sophisticated critique of liberal humanism and Marxism, one that should be seen as coherent and—for a surprising number of contemporary intellectuals—all too attractive.

A unique book, which addresses a calamity many men face, was written by the Northwest Author, Michael Louis Eads: *A Man's Feelings, Finding Closure After Divorce*. Divorce, a word synonymous with failure, disappointment and heartache; any man who loved his wife and went through divorce feels the stigma and loss. The courts use these words: dissolution, irretrievable and broken. These heartless terms create turmoil to a man going through divorce. They don't even account for or describe the agony a man endures during this crisis. This is a personal account of how Michael went through these hard times, and how he came out the other end with a positive attitude, and a vigorous new life. Going through this crisis, he found his own identity and self-esteem in question. His whole life was a question mark from the day his wife first said the word, Divorce, but with a step-by-step process, and help from friends and counseling, he got through it. "I believe with the raw personal expertise of an everyday man, Michael's story is unique and uplifting. His advice is straightforward and insightful, offering hope and encouragement on the long road to find a new life for any man struggling for happiness after losing the love of his life," said his friend Bob Olson, who has known Michael since his teens. In Michael's research of divorce books, he had found that almost all deal with the legal ramifications of divorce. Few deal with the stigma, heartache and emotional turmoil that a man must face during separation and divorce. "I feel my book exposes the most basic need in all men after divorce, that is, the overwhelming desire to find some semblance of happiness, well-being, and ultimately, closure. It is my hope that after reading this book, you will realize its value and potential." --The Publisher In his book, *A Man's Feelings: Finding Closure After Divorce*, Michael Eads takes us on a personal journey following his own divorce. By relating his experience of coming to terms with the end of his marriage, and the stages of grief and loss that accompanied that, we also join him on his road to acceptance, letting go, and finally finding hope, happiness, and well-being in the aftermath of his divorce. All the while that Michael is telling his own tale, he is providing a road map for men (and women) who are in the midst of the confusion, hurt and pain, and emotional floundering that can come with the experience of confronting the end of a marriage while attempting to put life back in order. Michael is open and sharing about his vulnerabilities and growth, so that one can almost feel that he is sitting with you, a good friend, there to share his experience, to help you find some sense of direction in unknown and uncharted territory. I highly recommend this book to anyone embarking on their own such journey. --Susan Sterling, Ph.D., Clinical Psychologist

Reluctant Witness: Robert Taylor, Hollywood, & Communism is the exhaustive biography of the life of Golden Era movie star, Robert Taylor. He was called "The Man With The Perfect Profile," and some considered him the most beautiful man to ever grace the movie world. Yet there was more to him, lots more. He was complicated. He saw history--movie history and

world history--and he was part of both.

Finalist for The Marfield Prize, aka The National Award for Arts Writing, from the Arts Club of Washington Allan Lane has been a mystery almost as long as he's been seen on a movie screen. His audiences have varied over many years. Some know him as the never officially recognized voice of TV's famous talking horse, Mister Ed. Some remember him as Red Ryder, the comic book Western hero-come-to-life at the Saturday afternoon matinee. Some remember him as Rocky Lane, yet another Western good guy, and a name that became synonymous with his own. Allan began working at the age of six. He later owned his own successful photography advertising agency. He started his love/hate relationship with acting at the age of sixteen in plays performed from city to city to ultimately make his way to Broadway. His movie career began in 1929 as leading man to Barbara Stanwyck, Loretta Young, and Joan Fontaine, among many. He appeared in many other television series, including Gunsmoke (1958-1961), Wagon Train (1958), and Alfred Hitchcock Presents (1958). Discover the full scope of the complicated life of Allan "Rocky" Lane. Illustrated. 318 pages. "I started reading about 2:00 this afternoon and finished a few minutes ago! Could not put it down! You did a wonderful job. You are not only a marvelous researcher; you write beautifully. And movingly! ... Congratulations! I hope you sell a zillion copies!" - Tinsley Yarbrough "Linda Alexander has painstakingly researched and uncovered heretofore unknown facts and information about 'Rocky' that gives us a fuller and more truthful picture of the man." - Western Clippings
