It ' s up to Charles to take care of the problem and since Anna is an omega wolf, the alpha sends her along on the hunt. Omega ' s are extremely rare and are capable of calming even the most enraged wolf—a handy talent to have when hunting a rogue wolf for sure.That would be enough of a premise for a book already, but add to that an evil witch with an agenda focused on an ancient wolf who is also part of the pack, and the book just gets even more mega exciting and fast paced.
