"Farewell My Concubine" is two films at once: An epic spanning a halfcentury of modern Chinese history, and a melodrama about life backstage at the famed Peking Opera. The idea of viewing modern China through the eyes of two of the opera's stars would not, at first, seem logical: How could the birth pangs of a developing nation have much in common with the death pangs of an ancient and ...

The movie adaptation of Lilian Lees Farewell My Concubine is widely renowned and celebrated, but the novel perhaps not as much, and thats a shame. As with all original sources, this is more flushed out, subtler, and more enjoyable in many ways than the movie. While I loved the movie, especially the dynamic between Gong Lis Juxian and Leslie Cheungs Dieyi, the movie took certain liberties that ...

Introduction. The 1993 film Farewell My Concubine (directed by Chen Kaige) is now referred to as one of the Chinese cinematography's finest works. There are several reasons for it, but the most important one has to do with the film's high educational value. After all, even though Farewell My Concubine is, in essence, a love story with the strongly defined 'queerness' overtone to it ...

"Farewell, My Concubine" is a movie with two parallel, intertwined stories. It is the story of two performers in the Beijing Opera, stage brothers, and the woman who comes between them. At the same time, it attempts to do no less than squeeze the entire political history of China in the twentieth century into a three-hour time-frame. —Michael Kim <leda@imsa.edu> Two boys meet at an opera ...

Until Farewell, My Concubine (Ba Wang Bie Ji), not many people were aware that most members of the Peking Opera were originally orphans or illegitimate castaways with nowhere else to turn. Such is the case of the film's protagonists, Duan Xiaolou (Zhang Fengyi) and Cheng Dieyi (Leslie Cheung), two homeless outcasts, trained from childhood in the grueling rigors of the Opera by master Lu Qui ...
