Guided reading is the aspect of Primary English teaching that we're asked about more than any other. We've written about it several times in our articles: guided reading , watching the detectives: inference and deduction and UKEd chat - CPD from the comfort of your own home. As advocates of guided reading; and knowing that it concerns teachers so much, we've written this article to help you move your guided reading from good to great.

Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).
