I thought when I read this that it must be a newer book but it is apparently one of her older works. I have to say I prefer this to others she wrote later then.

I have read all of Jodi Picoult's books and loved each one to the point I can't put them down. Unfortunately I found Harvesting of the Heart boring and dull. I found the characters hard to relate to and just couldn't get in to the story, I actually only read half of it and then gave up. I do thoroughly recommend all Jodi's other books though!
