manual transmission fluid for honda s2000 - Free Textbook PDF

I obviously cannot tell what engine this car has; but it has a full-fledged manual transmission, a normal-looking S2000 passenger cabin, and the exterior that they show towards the end of the video does not look like the SSM. I think it is actually a pre-production AP1 S2000 and the video was filmed before the car had been officially named by Honda so it is nominally an SSM.
