Comply with the law and be free! "Keep your money 12 different ways and be fully compliant" This book is short, easy to read and completely 'non-technical'. You will find an interesting personal testimonial about how the author found harmony between God's law and man's law to live a more simple and abundant life free from the technical bureaucracy of the I.R.S. Each of 12 of the 14 short chapters explores a uniquely different and fascinating application of the law which the author used himself to be true to his own personal character and nature without being in conflict with any prescribed federal laws. Any one of the 12 methods would be sufficient in and of itself to accomplish the same end. In this book you get '12' for the price of '1'. 25 years of living in peace and abundance should be proof enough of the effectiveness of his approach. You should find the book enlightening, revealing and

entertaining! Give unto Ceasar that which is Ceasar's! This Christian mantra is often misunderstood and mis-applied. The author addresses this with a simple but critical analysis. One cannot argue the biblical scriptures. On the other hand, one should not give 'Ceasar' what is truly the property of 'your family'! Being able to discern the difference is what separates the ignorant from the good stewards! Everyone should pay their 'fair share' To this age old cliché, the author couldn't agree more. We all have our personal responsibility for maintaining an orderly society. Now that we've agreed on that, let's just try and figure out exactly what 'YOUR' fair share is. The author has some statistics to back him up and you can prepare your check post haste and get ready to send it in. This will be an interesting discussion! Not intended for closed minds. This book is only intended for those who are prepared to learn something new and whose minds are open to expanded awareness and critical thinking. Have you ever wondered if the U.S.S.R and the U.S.A. are in the Bible? Most Theologians will tell you that Ezekiel 38, 39 talk of a Northern nation called Russia that will attack Israel. This is a fabricated lie. When Ezekiel 38,39 say that an attack against Israel will come from the "northparts" it is not the geographic North, but that the word of God comes from the "north" or that a religious attack will come against Israel. Besides Ezekiel 38,39 is in 40 billion AD+/- after the 1000 years and there will be no U.S.S.R in those days. Also we have just seen the fall of the U.S.S.R so that threat to Israel is eliminated. The sun will supernova in 4 billion years so the nations that we think exist today will not exist in 40 billion AD+/- . Now what happened to the Christian prediction that at the end of time the U.S.S.R and Christianity will clash when the U.S.S.R is no longer in existence? Well I am here to tell you there was a clash between the U.S.S.R and Christianity already and Satan lost when he destroyed the U.S.S.R because Jesus Christ forced his hand in the 1980's. It is written in Isaiah 27:8" In measure, when it shooteth forth, thou wilt debate with it: He stayeth His Rough wind in the day of the east wind". This might seem like an obscure sentence in Isaiah but let me explain. The Church is shooting forth after WWII and is filling the earth, and satan debated with the Church of Christianity using Communism- everyone saw this post WWII. The only reason Communism was created was so it could fight the Christian Church. Then God in the 1980's commissioned the Herald to destroy the U.S.S.R in a Christian Jihad or Rough wind for "wind" means politics and a Roughwind is a Christian Jihad. The Herald went about trying to destroy the U.S.S.R and when Satan saw what was coming in the pipeline he destroyed the U.S.S.R himself because if Christians did not have a target then God's word will fall flat. Thus negating the prophecy that at the end of time there was going to be a war, making God a liar. So Satan would have won by stopping prophecy. That line of thinking seemed good except the verse says after the Herald conceived of the Roughwind God "stayeth" His Rough wind. So God stopped His own Roughwind and bluffed Satan out of the U.S.S.R. To make sure we understand that God is talking about the U.S.S.R. the verse says "in the day of the east wind" or "eastern politics" which is the U.S.S.R. and Satan's attempt to debate with the Church that is shooting forth. Isaiah 27:8" In measure, when it shooteth forth, thou wilt debate with it: He stayeth His Rough wind in the day of the east wind." Also I explained in another description how Mathew chpt 13 tells of how Jesus stopped the servants from uprooting all the Tares in WWII or a worldwide inquisition by Christians. The Angels will come down and separate the sheep from the goats or wheat from the Tares. Now how was the Herald going to destroy the U.S.S.R when he bluffed Satan, and how come Satan believed it was possible for Christians using God's help destroy the U.S.S.R. The Herald using God's help was going to steal a ohio class submarine and force the issue on the planet. When Satan saw the plans he was forced into believing it, for he feared God and the power of Jesus Christ. But it was all a bluff, for God "stayeth His Rough wind in the day of the east wind" Now you understand the verses in the Bible and the clash between Christianity and the U.S.S.R. Satan in 2018+/- is trying to recover the cold war, claw his way back from Jesus Christ's bluff. But in Ezekiel 38,39 it is in WWII a religious attack by Satan in the universe was against the Church. The Battle was fought in spaceships around the universe in 40 billion Ad+/- . Today's battle was around a ohio class submarine.

Jesus Christ warned us about Satan when we were in a previous universe. That He would create a creature called Lucifer in Genesis & who would end up being called the dragon in Revelation. So Jesus created this universe & He mixed our Sanctified Angels who existed in a previous universe with Lucifers angels. Sheep & goats were mixed together in heaven, just like Sheep and goats are mixed up together on this earth today. Jesus created Lucifer and there were good times in heaven for a while, when Lucifer the most beautiful angel Jesus created was the highpriest, governor & prophet of God. Job 38:7" When the morning stars sang together, and all the sons of God shouted for joy?" Then God says that a political sea came out of Lucifer, from his womb & God contained it with a swaddlingband of darkness, meaning that Satan and his angels will never come out of darkness & never see the Truth or Light. Job 38:8" Or who shut up the sea {political sea} with doors, when it brake forth, as if it had issued out of the womb? 9: When I made the cloud the garment thereof, and thick darkness a swaddlingband for it. 11: And said, Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?" So we see that it was pride that the political sea of Satans heart was set upon. Now what happened was Lucifer started to wheel and deal in heaven and as a highpriest fell to filthy lucre. Just like we have seen spectacular falls of televangelists with money on earth, Satan the highpriest fell to money in heaven & started to lie and use violence to get things from the other Angels. So Lucifer's church's fell. Ezekiel 28:15-16 . It goes on to say that Lucifer was too ashamed to repent because he was too beautiful- his beauty defiled his wisdom. He decided to fight God thus the second verse in Genesis became true, chaos and darkness engulfed heaven and earth. Isaiah 14:12 " How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13: For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14: I will ascend above the heights of the clouds; I will be like the most High. 15: Yet thou shalt be brought down to hell, to the sides of the pit." People in hell looked upon Satan in hell- Isaiah 14:9" Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations." 18: " All the kings of the nations even all of them, lie in glory (there is no fire in hell to lie in glory) every one in his own house." (Satan and his demons are beat up and kicked out of hell) 19: But thou are cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcasse trodden under feet. 20: Thou shalt not be joined with them in burial, because thou hast destroyed thy land, and slain thy people: the seed of evildoers shall never be renowned." So Satan was kicked out of heaven to the earth, kicked off the earth to hell, kicked out of hell into the bottomless pit, kicked out of the bottomless pit to earth universe again, then finally kicked into the Lake of fire forever in Revelation. Satan was cursed as the snake in Genesis to crawl on his belly and eat dust all the days of his life. What that means is that he was cursed to always do low down dirty things, crawl on his belly like pedophilia to fight the Church etc, etc, he was also cursed to eat dust, meaning he will eat frustration all the days of his life, no matter whatever he tried, he will always be frustrated, eat dust. Satan has never been to hell. And when he gets there he wont rule it. They beat him up and kicked him out. Jesus destroyed Satan's government on this earth.

Frequent discussions of Satan from the pulpit, in the courtroom, in print, in self-writings, and on the streets rendered the Devil an immediate and assumed presence in early modern Scotland. For some, especially those engaged in political struggle, this produced a unifying effect by providing a proximate enemy for communities to rally around. For others, the Reformed Protestant emphasis on the relationship between sin and Satan caused them to suspect, much to their horror, that their own depraved hearts placed them in league with the Devil. Exploring what it meant to live in a world in which Satan

presence was believed to be, and indeed, perceived to be, ubiquitous, this book recreates the role of the Devil in the mental worlds of the Scottish people from the Reformation through the early eighteenth century. In so doing it is both the first history of the Devil in Scotland and a case study of the profound ways that beliefs about evil can change lives and shape whole societies. Building upon recent scholarship on demonology and witchcraft, this study contributes to and advances this body of literature in three important ways. First, it moves beyond establishing what people believed about the Devil to explore what these beliefs actually did- how they shaped the piety, politics, lived experiences, and identities of Scots from across the social spectrum. Second, while many previous studies of the Devil remain confined to national borders, this project situates Scottish demonic belief within the confluence of British, Atlantic, and European religious thought. Third, this book engages with long-running debates about Protestantism and the "disenchantment of the world", suggesting that Reformed theology, through its dogged emphasis on human depravity, eroded any rigid divide between the supernatural evil of Satan and the natural wickedness of men and women. This erosion was borne out not only in pages of treatises and sermons, but in the lives of Scots of all sorts. Ultimately, this study suggests that post-Reformation beliefs about the Devil profoundly influenced the experiences and identities of the Scottish people through the creation of a shared cultural conversation about evil and human nature.

Drummer As President of the Satan's Devils MC I can have every and any woman I choose, and do. That's how I got my name. But I'm happy with the variety, I know I'd never find a woman my equal to be my old lady. Then I meet her, on the road to my compound, standing beside a goddamn Vincent Black Shadow, one of the most iconic bikes of all time. When she tells me she's Viper's daughter, I know she has to be lying. There's no way he's fathered a child, not one of her age, it's just not possible. I can't deny an attraction to her, but if she's who she says, she's the one woman I'm unable to have. I can't go against a brother. Sam Trouble, I've found, comes in many forms. Trouble in the shape of the surly president of this MC who just wants me gone. Trouble in that my father denies our relationship, and the trouble that's followed me the fifteen hundred miles I've ridden to come to find my surviving parent. And when my past catches up with me, I need the protection of the MC to keep me safe. I've never been a girly girl and not particularly interested in finding a man. But then I've never met anyone like Drummer before, and trying to fight my attraction to him might be my biggest battle of all.

This is a story about the actions of young men after World War II who reacted to the commencement of a new war in Korea. These young men voluntarily entered the U.S. Navy, were taught to fly and were sent off to Korea on Aircraft carriers to harass the enemy. There were a number of young heroes who died in training and in combat. Coincidentally, all were 23 years of age so the title. It is in their memory and memory of all who served so valiantly that this book was written. I dedicate this book to my wife, Irene, who has encouraged me to complete this effort with her love and support.

Satan has won the Triple Crown, yet Alec still misses the Black, who's living in Arabia with Sheikh Abu Ishak.
