face of appalling odds? How Wars End argues that two central factors shape war-termination decision making: information about the balance of power and the resolve of one's enemy, and fears that the other side's commitment to abide by a war-ending peace settlement may not be credible.

How Wars End | Princeton University Press

As many other reviewers have stated, Gideon Rose's How Wars End is an engrossing book that does not discuss how the United States fights wars, but discusses how it fights the peace that follows. It examines the end of World War I, World War II in both Europe and the Pacific, the Korean War, Vietnam, Iraq
