Imperial Bedrooms is a novel by  
American author Bret Easton Ellis.  
Released on June 15, 2010, it is the  
sequel to *Less Than Zero*, Ellis' 1985  
bestselling literary debut, which was  
shortly followed by a film adaptation  
in 1987.

~~Imperial Bedrooms—Wikipedia~~

Imperial Bedroom is a 1982 album by  
Elvis Costello and the Attractions. It  
was the second Costello album, after  
*Almost Blue*, not produced by Nick  
Lowe. Production duties were  
handled by Beatles engineer Geoff  
Emerick.

~~Imperial Bedroom - Wikipedia~~

Imperial Bedrooms is little more than a novella and the criticism that it seems to have been rattled off quickly are understandable but I think this misses the mark; the prose is in fact deftly managed, experimental but not numbing and clearly has been carefully designed.

But in "Imperial Bedrooms," it's like a zombie -- reanimated, but unsteady on its feet, a lot meaner, but mostly a lot dumber and a lot more desperate. Many times I had to turn to a prior page to remind myself what was happening, or to whom. That's a bore, far more than a plodding plot. I didn't like Clay in "Less than Zero."

A follow-up to "Less Than Zero" continues the stories of the teenage characters at midlife, finding

# Read Book Imperial Bedrooms

successful screenwriter Clay returning to Los Angeles to cast a new movie and reunite with former girlfriend Blair, recovering addict Julian, and notorious dealer Rip.

Bret Easton Ellis delivers a riveting, tour-de-force sequel to *Less Than Zero*, one of the most singular novels of the last thirty years. Returning to Los Angeles from New York, Clay, now a successful screenwriter, is casting his new movie. Soon he is running with his old circle of friends through L.A.'s seedy side. His ex-girlfriend, Blair, is married to Trent, a bisexual philanderer and influential manager. Then there's Julian, a recovering addict, and Rip, a former dealer. Then when Clay meets a

# Read Book Imperial Bedrooms

gorgeous young actress who will stop at nothing to be in his movie, his own dark past begins to shine through, and he has no choice but to dive into the recesses of his character and come to terms with his proclivity for betrayal.

In 1985, Bret Easton Ellis shocked, stunned and disturbed with *Less Than Zero*, his 'extraordinarily accomplished first novel' (*New Yorker*), successfully chronicling the frightening consequences of unmitigated hedonism within the ranks of the ethically bereft youth of 80s Los Angeles. Twenty-five years later, Ellis returns to those same characters - to Clay and the band of infamous teenagers whose lives weave sporadically through his - but now, they face an even greater period

# Read Book Imperial Bedrooms

of disaffection: their own middle age. Clay seems to have moved on - he's become a successful screenwriter - but when he returns from New York to Los Angeles, to help cast his new movie, he's soon drifting through a long-familiar circle. Blair, his vulnerable former girlfriend, is now married to Trent - still a bisexual philanderer - and their Beverly Hills parties attract excessive levels of fame and fortune. Clay's childhood friend Julian is a recovering addict running an ultra-discreet, high-class escort service, and their old dealer Rip, reconstructed and face-lifted nearly beyond recognition, is involved in activities far more sinister than those of his notorious past. After a meeting with a gorgeous but talentless actress determined to win a role in his movie, Clay finds himself

## Read Book Imperial Bedrooms

connected with Kelly Montrose, a producer whose gruesomely violent death is suddenly very much the talk of the town. As his seemingly endless proclivity for betrayal leads him to be drawn further and further into this ominous case it looks like he will face far more serious consequences than ever before.

Clay is a successful screenwriter, middle-aged and disaffected; he 's in LA to cast his new movie. However, this trip is anything other than professional, and he 's soon drifting through a louche and long-familiar circle – a world largely populated by the band of infamous teenagers first introduced in Bret Easton Ellis's first novel *Less Than Zero*. After a meeting with a gorgeous but talentless actress determined to win a role in his movie,

# Read Book Imperial Bedrooms

Clay finds himself connected with Kelly Montrose, a producer whose gruesomely violent death is suddenly very much the talk of the town. Imperial Bedrooms follows Clay as his debauched reverie is interrupted by a violent plot for revenge and his seemingly endless proclivity for betrayal and exploitation looks set to land him somewhere darker and more ominous than ever before.

Clay è tornato in città - ancora a Los Angeles, ancora durante le vacanze di Natale - ma dai tempi di Meno di zero sono passati venticinque anni. Oggi Clay è uno sceneggiatore che deve mettere insieme il cast per il suo nuovo film: ma quando incontrerà i vecchi amici (Blair, Trent, Julian...), sempre più annoiati, amorali e decadenti, si inoltrerà in un inferno in

# Read Book Imperial Bedrooms

cui è impossibile distinguere la vittima dal carnefice. Un noir chandleriano per un Ellis mai così ironico, disincantato e disperato.

Set in Los Angeles in the early 1980's, *Less than Zero* has become a timeless classic. This coolly mesmerizing novel is a raw, powerful portrait of a lost generation who have experienced sex, drugs, and disaffection at too early an age. They live in a world shaped by casual nihilism, passivity, and too much money in a place devoid of feeling or hope. Clay comes home for Christmas vacation from his Eastern college and re-enters a landscape of limitless privilege and absolute moral entropy, where everyone drives Porches, dines at Spago, and snorts mountains of cocaine. He tries to renew feelings for

## Read Book Imperial Bedrooms

his girlfriend, Blair, and for his best friend from high school, Julian, who is careering into hustling and heroin. Clay's holiday turns into a dizzying spiral of desperation that takes him through the relentless parties in glitzy mansions, seedy bars, and underground rock clubs and also into the seamy world of L.A. after dark.

In *The Subtle Body*, Stefanie Syman tells the surprising story of yoga's transformation from a centuries-old spiritual discipline to a multibillion-dollar American industry. Yoga's history in America is longer and richer than even its most devoted practitioners realize. It was present in Emerson's New England, and by the turn of the twentieth century it was fashionable among the leisure class. And yet when Americans first learned

# Read Book Imperial Bedrooms

about yoga, what they learned was that it was a dangerous, alien practice that would corrupt body and soul. A century later, you can find yoga in gyms, malls, and even hospitals, and the arrival of a yoga studio in a neighborhood is a signal of cosmopolitanism. How did it happen? It did so, Stefanie Syman explains, through a succession of charismatic yoga teachers, who risked charges of charlatanry as they promoted yoga in America, and through generations of yoga students, who were deemed unbalanced or even insane for their efforts. The Subtle Body tells the stories of these people, including Henry David Thoreau, Pierre A. Bernard, Margaret Woodrow Wilson, Christopher Isherwood, Sally Kempton, and Indra Devi. From New England, the book moves to New York

## Read Book Imperial Bedrooms

City and its new suburbs between the wars, to colonial India, to postwar Los Angeles, to Haight-Ashbury in its heyday, and back to New York City post-9/11. In vivid chapters, it takes in celebrities from Gloria Swanson and George Harrison to Christy Turlington and Madonna. And it offers a fresh view of American society, showing how a seemingly arcane and foreign practice is as deeply rooted here as baseball or ballet. This epic account of yoga's rise is absorbing and often inspiring—a major contribution to our understanding of our society.

The basis of the major motion picture starring Billy Bob Thornton, Kim Basinger and Mickey Rourke, *The Informers* is a seductive and chillingly nihilistic novel, in which Bret Easton Ellis, returns to Los Angeles, the city

## Read Book Imperial Bedrooms

whose moral badlands he portrayed so unforgettably in *Less Than Zero*. This time is the early eighties. The characters go to the same schools and eat at the same restaurants. Their voices enfold us as seamlessly as those of DJs heard over a car radio. They have sex with the same boys and girls and buy from the same dealers. In short, they are connected in the only way people can be in that city. Dirk sees his best friend killed in a desert car wreck, then rifles through his pockets for a last joint before the ambulance comes. Cheryl, a wannabe newscaster, chides her future stepdaughter, “ You're tan but you don't look happy. ” Jamie is a clubland carnivore with a taste for human blood. As rendered by Ellis, their interactions compose a chilling, fascinating, and outrageous descent

# Read Book Imperial Bedrooms

into the abyss beneath L.A.'s gorgeous surfaces.

Bret Ellis, the narrator of *Lunar Park*, is the bestselling writer whose first novel *Less Than Zero* catapulted him to international stardom while he was still in college. In the years that followed he found himself adrift in a world of wealth, drugs, and fame, as well as dealing with the unexpected death of his abusive father. After a decade of decadence a chance for salvation arrives; the chance to reconnect with an actress he was once involved with, and their son. But almost immediately his new life is threatened by a freak sequence of events and a bizarre series of murders that all seem to connect to Ellis' s past. His attempts to save his new world from his own demons makes

# Read Book Imperial Bedrooms

Lunar Park Ellis ' s most suspenseful novel. In this chilling tale reality, memoir, and fantasy combine to create not only a fascinating version of this most controversial writer but also a deeply moving novel about love and loss, parents and children, and ultimately forgiveness.
