International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators, as well as judgements of national courts.

This new consolidated index 1-160 in three parts is an indispensable guide to International Law Reports volumes' content, as well as being an essential compendium to the vast range of international law jurisprudence over the last hundred years. Since the Reports began, in 1922, over 10,000 cases have been reported in full or digest form with consolidated indexes prepared for volumes 1-35 and 36-125. In order to improve the existing consolidation, volumes 1-35 have been re-indexed and the consolidated index of volumes 36-125 has been updated.

Decisions of international courts and arbitrators, as well as judgments of national courts, are fundamental elements of modern public international law. The International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of such decisions. It is therefore an absolutely essential work of reference. Volume 185 is devoted to the International Court of Justice's 2017 Order on Provisional Measures in Application of the International Convention for the Suppression of the Financing of Terrorism and of the International Convention on the Elimination of All Forms of Racial Discrimination (Ukraine v. Russian Federation), 2019 judgment of the Norwegian Supreme Court in SIA North Star Ltd v.
