Gardner borrows some of his plot and many character names from Beowulf, but creates a full life for Grendel prior to his encounter with Beowulf. At several moments in [Grendel](#), Gardner inserts passages of poetry that imitate the form of Beowulf. In addition to rewriting the epic poem from the monster's point of view, Gardner's use of stream-of-consciousness narration and insertion of philosophical arguments into his novel allow us to gain modern insights into the mythic-medieval world of ...
