Legal Rights and Legislation. When it is stated that you have a 'legal' right about something, the word legal in its common usage means that it is a right or regulation that has been activated by an authorized legal entity. The information in this section overviews the most important civil rights and how they differ, in some ways, to the basic human rights for people living in United Kingdom.

Where someone dies domiciled in Scotland, Legal Rights are designed to protect spouses/civil partners and children from being disinherited. Legal Rights cover the deceased's "net moveable" estate". The right to claim is automatic, the spouse or child is deemed to be a creditor on the estate, and a claim can be made at any time during the 20 years following the deceased's death.

What are Legal Rights & Rights of Succession in Scotland?

The language used in law is changing. Many lawyers are now adopting a plain English style. But there are still legal phrases that baffle non-lawyers. This guide is intended to help in two ways: • it should help non-lawyers understand legal phrases; and • it should give lawyers ideas for explaining the legal phrases that they use.
