Along with writing his doctoral dissertation on union with Christ in the theology of John Calvin, he is also the author of One with Christ: An Evangelical Theology of Salvation and the coauthor (with John C. Clark) of The Incarnation of God: The Mystery of the Gospel as the Foundation of Evangelical Theology. He and his wife, Stacie, live in Chicago with their son, Peter, and are members of Grace Lutheran Church.

One with Christ: An Evangelical Theology of Salvation ...  
Christian is the term given to followers of Jesus Christ in the first century A.D. (Acts 11:26). The term evangelical comes from the Greek word that means "good news." Evangelism is sharing the good news of the salvation that is available through Jesus Christ. An evangelical, then, is a person dedicated to promoting the good news about Jesus Christ.

What is an Evangelical Christian? | GotQuestions.org  
Evangelism can take many forms, such as preaching, distribution of bibles or tracts, newspapers and magazines, by the media, witness, street evangelism. The child evangelism movement is a Christian evangelism movement that originated in the 20th century. It focuses on the 4/14 Window which centers on evangelizing children between the ages of 4 and 14 years old.

Evangelism - Wikipedia  
Books at a GlanceRead a review from Books at a Glance Publisher's Description: Despite our love for the Bible, emphasis on the cross, and passion for evangelism, many evangelicals ironically neglect that which is central to the gospel. In our preaching, teaching, and witnessing, we often separate salvation from the Sav

Foundational to believers' salvation is their union with Christ. In this accessible introduction, Johnson argues that this neglected doctrine is the lens through which all other facets of salvation in the New Testament should be understood.

Man and Woman, One in Christ demonstrates that careful exegesis of Paul's letters affirms the full equality of men and women in the church and in the home. Exploring the entire Pauline corpus, Philip Barton Payne injects crucial insights and cultural backgrounds into the discussion of Paul's statements regarding women."

Many contemporary theologians claim that the classical picture of God painted by Augustine and Aquinas is both outmoded and unbiblical. But rather than abandoning the traditional view completely, John Feinberg seeks a reconstructed model—one that reflects the ongoing advances in human understanding of God's revelation while recognizing the unchanging nature of God and His Word. Feinberg begins by exploring the contemporary concepts of God, particularly the openness and process views, and then studies God's being, nature, and acts—all to articulate a mediating understanding of God not just as the King, but the King who cares! Part of the Foundations of Evangelical Theology series.

NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the "moral majority" backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

The provocative and authoritative history of the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in One Nation Under God, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s. To fight the "slavery" of FDR's New Deal, businessmen enlisted religious activists in a campaign for "freedom under God" that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role of religion in American politics. He inaugurated new traditions like the National Prayer Breakfast, as Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was "one nation under God." Provocative and authoritative, One Nation Under God reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day.

Mark Noll has written a major indictment of American evangelicalism. Reading this book, one wonders if the evangelical movement has pandered so much to American culture and tried to be so popular only to lose not only it's mind but it's soul as well. For evangelical pastors and parishoners alike, this is a must read! --Robert Wuthnow.

An introductory textbook on Christian approaches to other world faiths.

Taking note of recent developments in Luther studies and building on a historical tracing of the idea of salvation as union in Eastern Orthodox, Catholic, and some Free Church soteriologies, One with God argues that deification and justification do not exclude each other and that the 1999 Joint Declaration between Catholics and Lutherans is a biblically, historically, and theologically sound basis for further talks about salvation. Book jacket.

Analyzes the American evangelical experience, drawing on intimate interviews with members of the Vineyard church while explaining the scientific aspects of intensely practiced prayer and collective supernatural experiences.
