Painting All Aspects Of Water For All Mediums [EBOOK]

There are special painting mediums you can use to mix with the paint instead of water and then only use the water to clean up. The benefit of using the mediums is that the mixture of paint on your palette remains the same for hours as you paint, whereas if you use water to thin the paint it will evaporate on your palette and the paint thickens up during your painting session.

Painting All Aspects Of Water For All Mediums [EBOOK]

Abstract art requires the artist to create interesting, non-traditional pieces while realistic art requires the artist to come up with imaginative ways to make the image come to life. Artists yearn to be innovative, to create - or even recreate - something with a personal touch, a new flair that reveals one's deepest expressions and motivations.
