"Promise me, Dad," Beau had told his father. "Give me your word that no matter what happens, you're going to be all right." Joe Biden gave him his word. *Promise Me, Dad* chronicles the year that followed, which would be the most momentous and challenging in Joe Biden's extraordinary life and career. Vice President Biden traveled more than a hundred thousand miles that year, across the world, dealing with crises in Ukraine, Central America, and Iraq.

Promise Me, Dad by Joe Biden | Audiobook | Audible.com

Promise Me, Dad is, as its blurb says, "a deeply moving memoir about the year that would forever change both a family and a country. The country is the United States. The year is 2014. And the family is that of then-U.S. Vice President, Joe Biden, aka the handsomest man alive according to Parks and Recreation's Leslie Knope.

The Instant #1 New York Times Bestseller "*Promise Me, Dad* is a brisk, often uplifting read, a consequence of its author's congenial jollity and irrepressible candor." - Vanity Fair A deeply moving memoir about the year that would forever change both a family and a country. In November 2014, thirteen members of the Biden family gathered on Nantucket for Thanksgiving, a tradition they had been celebrating for the past forty years; it was the one constant in what had become a hectic, scrutinized, and overscheduled life. The Thanksgiving holiday was a much-needed respite, a time to connect, a time to reflect on what the year had brought, and what the future might hold. But this year felt different from all those that had come before. Joe and Jill Biden's eldest son, Beau, had been diagnosed with a malignant brain tumor fifteen months earlier, and his survival was uncertain. "Promise me, Dad," Beau had told his father. "Give me your word that no matter what happens, you're going to be all right." Joe Biden gave him his word. *Promise Me, Dad* chronicles the year that followed, which would be the most momentous and challenging in Joe Biden's extraordinary life and career. Vice President Biden traveled more than a hundred thousand miles that year, across the world, dealing with crises in Ukraine, Central America, and Iraq. When a call came from New York, or Capitol Hill, or Kyiv, or Baghdad—"Joe, I need your help"—he responded. For twelve months, while Beau fought for and then lost his life, the vice president balanced the twin imperatives of living up to his responsibilities to his country and his responsibilities to his family. And never far away was the insistent and urgent question of whether he should seek the presidency in 2016. The year brought real triumph and accomplishment, and wrenching pain. But even in the worst times, Biden was able to lean on the strength of his long, deep bonds with his family, on his faith, and on his deepening friendship with the man in the Oval Office, Barack Obama. Writing with poignancy and immediacy, Joe Biden allows readers to feel the urgency of each moment, to experience the days when he felt unable to move forward as well as the days when he felt like he could not afford to stop. This is a book written not just by the vice president, but by a father, grandfather, friend, and husband. *Promise Me, Dad* is a story of how family and friendships sustain us and how hope, purpose, and action can guide us through the pain of personal loss into the light of a new future.

A New York Times Bestselling Author In November 2014, the Biden family gathered on Nantucket for their traditional Thanksgiving celebration; it was the one constant in their hectic, scrutinized, and over-scheduled lives. But this year felt different from all those that had come before. Joe and Jill Biden's eldest son, Beau, had been diagnosed with a malignant brain tumor, and his survival was uncertain. *Promise me, Dad*, Beau had told his father, "Give me your word that no matter what happens, you're going to be all right." *Promise Me, Dad* chronicles the year that followed, the most momentous and challenging in Joe Biden's extraordinary life and career.

The Instant #1 New York Times Bestseller 'Biden splices a heartbreaking story with an election story and a foreign affairs story. And in so doing, he offers something for everyone, no matter which strand draws you in' - The New York Times Book Review From President-Elect Joe Biden, winner of the 2020 United States presidential election, *Promise Me Dad* is his deeply moving memoir about the year that would forever change both a family and a country. In November 2014, thirteen members of the Biden family gathered for their traditional Thanksgiving celebration. But this year felt different from previous. Joe and Jill Biden's eldest son, Beau, had been diagnosed with a malignant brain tumour fifteen months earlier, and his survival was uncertain. 'Promise me, Dad,' Beau had told his father. NEW YORK TIMES BESTSELLER • President-elect Joe Biden, the author of *Promise Me, Dad*, tells the story of his extraordinary life and career prior to his emergence as Barack Obama's beloved, influential vice president. "I remain captivated by the possibilities of politics and public service. In fact, I believe that my chosen profession is a noble calling."—Joe Biden Joe Biden has both witnessed and participated in a momentous epoch of American history. In *Promises to Keep*, Joe Biden reveals what these experiences taught him about himself, his colleagues, and the institutions of government. With his customary candor and wit, Biden movingly recounts growing up in a staunchly Catholic multigenerational household in Scranton, Pennsylvania, and Wilmington, Delaware; overcoming personal tragedy, life-threatening illness, and career setbacks; his relationships with presidents, with world leaders, and with lawmakers on both sides of the aisle; and his leadership of powerful Senate committees. Through these and other recollections, Biden shows us how the guiding principles he learned early in life—to work to make people's lives better; to honor family and faith; to value persistence, candor, and honesty—are the foundation on which he has based his life's work as husband, father, and public servant. *Promises to Keep* is an intimate series of reflections from a public servant who surmounted numerous challenges to become one of our most effective leaders and who refuses to be cynical about politics. It is also a stirring testament to the promise of the United States. Praise for *Promises to Keep* "A ripping good read . . . Biden is a master storyteller and has stories worth telling."—The Christian Science Monitor "A compelling personal story."—The New York Times "Moving . . . [Biden's] response to tragedy and near death [is] both admirable and likable."—Salon

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional

odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

The heartwarming, true story of a young woman whose single father--an elementary school librarian--read aloud to her every night, starting from when she was in 4th grade until the day she left for college. When Alice Ozma was in 4th grade, she and her father decided to see if he could read aloud to her for 100 consecutive nights. On the hundredth night, they shared pancakes to celebrate, but it soon became evident that neither wanted to let go of their storytelling ritual. So they decided to continue what they called "The Streak." Alice's father read aloud to her every night without fail until the day she left for college. meta content="Word.Document" name="ProgId" meta content="Microsoft Word 12" name="Generator" meta content="Microsoft Word 12" name="Originator"link href="file:///C:\DOCUME~1\englanda\LOCALS~1\Temp\mshtmlclip1\01\clip_filelist.xml" rel="File-List"link href="file:///C:\DOCUME~1\englanda\LOCALS~1\Temp\mshtmlclip1\01\clip_themedata.thmx" rel="themeData"link href="file:///C:\DOCUME~1\englanda\LOCALS~1\Temp\mshtmlclip1\01\clip_colorschememapping.xml" rel="colorSchemeMapping" Alice approaches her book as a series of vignettes about her relationship with her father and the life lessons learned from the books he read to her. Books included in the Streak were: *Great Expectations* by Charles Dickens, the Oz books by L. Frank Baum, *Harry Potter* by J. K. Rowling, *Alice's Adventures in Wonderland* by Lewis Carroll, and Shakespeare's plays.

Believing that life always gives us all a second chance is too bookish a thought. Because sometimes, by the time we finally realize our faults and true potential, times have changed dramatically. Like a couple of migratory birds, both Charlie and Edwin leave everything back in their village and settle for a new life in the big city. For Edwin, it was where he was going to chase his dreams of becoming an actor; but for Charlie, it was just another place to be with his only friend, to help him accomplish his dreams. However, life seemed to have different plans as it throws Charlie in Aster's way, who was silently walking through instabilities of her own destiny. He could never have guessed, but he was in for an absolute unthoughtful phase of profoundness, which was going to last forever. *Promise me a Million Times* is a story of dreams, friendship, struggles and a will to make up for every loss with love by your side.

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America’s best-loved novels by PBS’s *The Great American Read* Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.
