reduced list price USDA-NRCS. Issued in spiral ringbound binder. By Philip J. Schoeneberger, et al. Summarizes and updates the current National Cooperative Soil Survey conventions for describing soils. Intended to be both current and usable by the entire soil science community."

Annual. Continues United States Government organization manual.

The Manual provides comprehensive information on a large number of U.S. government agencies. Along with entries on the agencies of the executive, judicial, & legislative branches of the government, users will also find information on quasi-official agencies, international organizations in which the U.S. participates, & other boards, commissions & committees. The Declaration of Independence & the Constitution of the United States are also included. This laminated edition features a sturdy cover, extra strong bindings, & heavy, acid-free paper. Recommended in: ALA's Guide to Reference Books, Walford's Guide to Reference Material.
