Roger Batty - Wikipedia

Batty truthfully calls the “Pontic-Danubian realm.”¹ This region did indeed have its own identity until the communist regimes built unnatural boundaries. What is so interesting about the area is that the people who inhabited it since ancient times followed extremely different ways of life, from the sedentary to highly mobile, giving

(PDF) Romanisation in eastern and central Europe Werner Eck ...

The author has made two important and undoubtedly under-researched topics his principal foci, namely migration and pastoral economies, within the context of the Balkans and the territories that constitute modern Romania, Moldova, and southern Ukraine. The subtitle, the Pontic--Danubian Realm, suggests a discrete geographical and historical unit. But, as the author makes clear in the Introduction, the term is one of convenience, enabling him to make use of comparative evidence in discussing ...
