#### Samurai Swordsmanship The Batto Kenjutsu

Battojutsu is the Japanese art of drawing and cutting with the samurai sword in one or more smooth, continuous motions. The DVD's are great for matching your movements with those of Master Swordsman Shimubukuro, but the book completes the instruction by providing a reference for the many technical terms, mostly in Japanese, that can become a bit overwhelming for a non-Japanese speaker.

Kenjutsu Kenjutsu is the art of samurai swordsmanship and is a suitable activity for both men and women. It develops high levels of coordination, self-discipline and control. The exercise it offers is stimulating but not over-taxing, and properly conducted there should be no physical contact, therefore little chance of injury.

The following is a copyrighted chapter from the book "Samurai Swordsmanship: The Batto, Kenjutsu and Tameshigiri of Eishin Ryu" by Masayuki Shimabukuro & Carl E. Long. Permission to copy or reproduce any of this material is allowed only by the expressed permission from the authors or publisher.

Demonstrates and explains the history, construction, sword etiquette, basic targeting and mat cutting using the Samurai sword.

Memorialized in countless books and movies, the history of Japan's fearsome samurai warriors is known all over the world. Who can forget these Japanese masters' skills with the sword? Today, samurai warriors no longer exist, but their legacy of swordsmanship endures. Now, the way of the samurai sword is learned in the martial arts Iaijutsu and Kenjutsu. This book is the perfect introduction to using this beautiful and ancient weapon. In Mastering the Samurai Sword, you'll learn the sword's fascinating history, its evolution, and the philosophy behind its use. You'll also learn practical guidance for mastering the sword itself. Full-color, step-by-step photographs detail many of the most useful and famous samurai moves, including: drawing the samurai sword guard positions, cutting blows, and blocking falling and rolling techniques, and evasive strategies standing forms and kneeling forms All of the martial arts techniques discussed in the book are performed for readers in the downloadable material to help you perfect your form. Beginners will learn everything from proper attire and behavior in the dojo to how they might practice at home, while more experienced samurai swordsmen will find a new appreciation for the deeper meaning and tradition behind the graceful way of the sword.

"A complete translation of Nakamura Taisaburo's book on the essence of test cutting and Japanese swordsmanship. Includes photographs, technical information, analysis, and stories from the author's life"--Provided by publisher.

This book introduces the world of traditional Japanese martial arts and will provide readers with a deeper understanding of Bushido and Japan. Also known as Kobudo, these traditional martial arts can be seen as a continuation of samurai culture and comprise a number of styles formulated in the samurai era that are still being taught today. Aiming to develop Bujutsu (martial arts) and Heiho (strategy) to the highest possible degree, the samurai devised a code consisting of over eighteen arts. A samurai should have impeccable manners and be an expert in martial arts, but he should never be a killer. His swords contained his soul, which he cultivated by learning poetry and art, and by practicing Zen meditation. The author is the world-famous Kobudo grandmaster. He knows all the Kobudo styles, and his teaching of arts such as Iaijutsu and Jujitsu fascinates many students around the world. This is his first book in English, and it offers readers the opportunity to learn the lesser known arts of Kobudo, particularly the way of Nito Ryu—the two-swords method created by the famous samurai Miyamoto Musashi, and to understand the spirit behind it. Lavishly illustrated with around 700 photographs, Samurai Fighting Arts reveals many secret skills of Kobudo. It is divided into five chapters: Kobudo and its history; Kumiuchi Hyoho; Nito Ryu - the two-sword method; Iai and Kenpo; and Classical Kenjutsu and its application.

To the Japanese, the sword is a spiritual weapon. It possesses a particular divinity, reflecting the soul of its maker, owner, and user. Around its mystical powers has grown the centuries-old ritual and practice of Samurai swordsmanship which is still avidly practiced today as is a fascinating and intricate martial art. This unique guide unlocks all the mysteries of the ancient tradition of Iaijutsu—explaining the history and significance of the sword in Samurai culture and documenting the techniques of swordsmanship as found in no other martial arts book. Darrell Max Craig is one of the foremost teachers of Kendo in the West. He spent many years in Japan competing and training at the very highest level. His book, Drawing the Samurai Sword, provides a thorough examination of all aspects of Iaijutsu—including information on sword care and selection, necessary gear, sword and dojo etiquette, and useful drills for practice and demonstration. This book also teaches readers about: How to evaluate your Samurai sword and handle it safely How to wear the traditional Hakama uniform How to perform the Kata forms to hone your technique The brutal history of sword testing, and today's more humane equivalent The classic and exciting story of "The Forty-Seven Ronin" And much more! Featuring a new preface by the author, original color photos and added information about sword testing, this generously-illustrated book is a treasure trove of information for aspiring students and experienced practitioners alike.

Iaijutsu is the art of samurai swordsmanship in self-defence. Iaijutsu is distinguished from kenjutsu (the samurai sword employed in attack) by the fact that the practitioner begins each technique with the sword sheathed. This book refers to the art of Iaijutsu in order to emphasize how Eishin-Ryu Iaijutsu is among the various schools of Iaijutsu.

Master the art of Kendo—Japanese Swordsmanship with this illustrated and comprehensive martial arts guide. Kendo or the "Way of the Sword" holds a special place within the martial arts as one of the few practices tracing back directly to Japan's ancient samurai heritage. Modern students flock to kendo for physically—and mentally—challenging activity that combines traditional martial arts values with strenuous physical activity. Author Geoff Salmon has over 40 years of kendo experience gained in and outside of Japan. His goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and effective for anyone. His simple, straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire. The core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques. The author also presents the fundamental principles and philosophy that make kendo as much an exercise of the mind as of the sword. For many adherents, the goal is to train your mind to achieve a state of mushin (no-mind). Beyond that, this book also shows you how to win competitions and integrate kendo into your personal fitness routines. This is the first book to clearly link the philosophical and mental elements of kendo to the physical techniques, thereby enabling readers to gain a holistic understanding of the martial art. It offers a comprehensive training program similar to those given by leading kendo teachers in Japan, past and present.

"Originally published in Japanese as Zusetsu Miyamoto Musashi to Kengotachi no Kenpo by Kodansha, Tokyo, 2011."

There's something wrong with Hazel Athertons he just knows it. She's not a kid anymore, but she's not grown-up either. Hazel hasn't even kissed a boy and she's not sure she ever will. Although that doesn't stop her from thinking about Leo in the year above... Hazel wishes she could talk to her mum about it - but these days her mum is too busy doing hanging out with her new boyfriend. Does anyone understand what's going on with Hazel?
