When Alton's ageing, blind uncle asks him to attend bridge games with him, he agrees. After all, it's better than a crappy summer job in the local shopping mall, and Alton's mother thinks it might secure their way to a good inheritance sometime in the future. But, like all apparently casual choices in any of Louis Sachar's wonderful books, this choice soon turns out to be a lot more complex than Alton could ever have imagined. As his relationship with his uncle develops, and he meets the very attractive Toni, deeply buried secrets are uncovered and a romance that spans decades is finally brought to conclusion. Alton's mother is in for a surprise!

From the author of the acclaimed bestseller Holes, winner of the Newbery Award and the National Book Award, comes a New York Times bestselling adventure about the impact we have—both good and bad—on the world we live in. Be careful. Your next step may be your last. Fifth grader Tamaya Dhillwaddi and seventh grader Marshall Walsh have been walking to and from Woodridge Academy together since elementary school. But their routine is disrupted when bully Chad Hilligas challenges Marshall to a fight. To avoid the conflict, Marshall takes a shortcut home through the off-limits woods. Tamaya, unaware of the reason for the detour, reluctantly follows. They soon get lost. And then they find trouble. Bigger trouble than anyone could ever have imagined. In the days and weeks that follow, the authorities and the U.S. Senate become involved, and what they uncover might affect the future of the world. "Sachar blends elements of mystery, suspense, and school-day life into a taut environmental cautionary tale."--Publishers Weekly

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times "Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud.

Armpit and X-Ray are living in Austin, Texas. It is three years since they left the confines of Camp Green Lake Detention Centre and Armpit is taking small steps to turn his life around. He is working for a landscape gardener because he is good at digging holes, he is going to school and he is enjoying his first proper romance, but is he going to be able to stay out of trouble when there is so much building up against him? In this exciting novel, Armpit is joined by many vibrant new characters, and is learning what it takes to stay on course, and that doing the right thing is never the wrong choice.

Best-selling author Rob Reid makes reading aloud to children and teens easy by selecting titles in high-interest topics published between 2000 and 2008.

One in every five Americans lives with at least one disability or disorder, including both the obvious, such as those requiring the use of a wheelchair, and the less evident ones, such as eating disorders or Asperger's syndrome. Those responsible for teaching disabled students and providing services and support for them need ready access to reliable and up-to-date resources. Disabilities and Disorders in Literature for Youth: A Selective Annotated Bibliography for K-12 identifies almost 1,000 resources to help educators, professionals, parents, siblings, guardians, and students understand the various disabilities and disorders faced by children today. This bibliography consists of four major headings, Emotional, Learning, Physical, and Multiple Disabilities, which are further categorized into works of fiction and nonfiction. Annotations provide a complete bibliographical description of the entries, and each entry is identified with the grade levels for which it is best suited and resources are matched with appropriate audiences. Reviews from recognized publications are also included wherever possible. Anyone interested in identifying helpful resources regarding disabilities and disorders will find much of value in this essential tool.

Covering the genres popular with today's teens—fiction and nonfiction, including poetry and graphic novels—this resource provides 110 great book choices for young adult reading, interactive booktalks, and individual writing activities.
