As Pennington explores the literary dimensions and theological themes of this famous passage, he situates the Sermon in dialogue with the Jewish and Greek virtue traditions and the philosophical-theological question of human flourishing. He also relates the Sermon's theological themes to contemporary issues such as ethics, philosophy, and economics.

Matthew 5-7, popularly known as the Sermon on the Mount, has been described as "the essence of Christianity" and inspired many commentaries. However, New Testament professor Charles Quarles believes a fair number of those volumes either present Christ's sermon as containing an impossible spiritual ethic or instead dilute its message so much that hardly any ethical challenge remains. Also concerning, a recent Gallup poll indicated only one-third of American adults recognize Jesus as the source of this teaching that has often inspired people who do not even embrace evangelical Christianity. Quarles' new analysis, part

of the New American Commentary Studies in Bible & Theology series, aims to fill the gap between these extremes by dealing with the important questions of whether believers can live by the Sermon on the Mount today, and, if so, how. Looking at the Beatitudes, what it means to be salt and light, and the demand for superior righteousness, he writes to restore this crucial section of our Lord's teaching to its proper place in His church.

From the best-selling author of *My Utmost for His Highest*, *Studies in the Sermon on the Mount* is a grace-filled exposition of Matthew 5-7. Much has been written about these 3 chapters of the New Testament, but Chambers' insightful and theologically rich treatment of the text is both challenging and refreshing. "If Jesus is only a Teacher, then all He can do is to tantalize us by erecting a standard we cannot come anywhere near. But if we know Him first as Savior, by being born again from above, we know that He did not come to teach us only: He came to make us what He teaches we should be. having His way with us. The Sermon on the Mount must produce despair in the natural man; and that is the very thing Jesus means it to do, because immediately we get to despair we are willing to come to Jesus as paupers and to receive from Him. “ Blessed are the poor in spirit ” —that is the first principle of the Kingdom. So long as we have a conceited, self-righteous notion that we can do the thing if God will help us, God has to allow us to go on until we break the neck of our ignorance over some obstacle, then we are willing to come and receive from Him. The bedrock in Jesus Christ ’ s Kingdom is poverty, not possession; not decisions for Jesus Christ, but a sense of absolute futility— “ I cannot begin to do it. ” Then, says Jesus, “ Blessed are you. ” That is the entrance, and it does take us a long while to believe

we are poor. The knowledge of our own poverty brings us to the moral frontier where Jesus Christ works. ”

Jesus concluded His Sermon on the Mount by saying, "Everyone who hears these sayings of mine, and does not do them, will be like a foolish man who builds his house on the sand: and the rain descended, the floods came, and the winds blew and beat on that house; and it fell. And great was its fall." A generation that has either ignored or attempted to explain away "these sayings" of Jesus now teeters toward destruction, buffeted by the winds of human philosophy and floods of dissipation. Its epitaph may well prove to be: "Great was its fall." Earnhart says, "For this reason it is the more urgent that we look often and carefully

at the one sermon of God's Son which perhaps more than any other defines the very essence of the kingdom of heaven. Here, if we listen humbly, our lives can be transformed, our spirits refreshed, our souls saved." Few preachers of our generation have studied the Sermon on the Mount as intensively or spoken on its contents so frequently and effectively as Paul Earnhart. His excellent and very readable written analysis appeared first as a series of articles in Christianity Magazine. By popular demand it was published in a single volume in 1999. Now, DeWard Publishing Company is thrilled to make this wonderful material available again so that it will continue to be preserved, circulated, and read by those who would not have otherwise had access to it.
