*TERMINATION: The Consequences of Job Loss*  
Namely, it may happen that the during the  
procedure court establishes that the reason  
for termination of employment does not exist,  
but that the employer did not act in  
accordance to the provisions of the law which  
prescribes how the procedure for termination  
of employment must look like. Then the court  
will refuse an employee's request for coming  
back to work and will obligate employer to  
pay him compensation in amount of 6 salaries.

In most cases employees should be paid their  
normal pay during the notice period. Normal  
notice applies when employment is being  
terminated due to redundancy. An employment  
contract can be terminated at any time by  
either party, it could be a resignation or  
dismissal, redundancy or retirement.

At common law, if a party commits a  
repudiatory breach of contract, the other  
party may elect to accept the repudiation,  
terminate the contract and claim damages. A  
repudiatory breach is a breach that deprives  
the aggrieved party of substantially all of  
the benefit of the contract. It is important  
to identify any common law termination rights  
even where a contractual termination right  
has already been identified, as the financial  
consequences of terminating a contract under  
the contract and ...

Dismissal is the termination of employment by an employer against the will of the employee. Though such a decision can be made by an employer for a variety of reasons, ranging from an economic downturn to performance-related problems on the part of the employee, being fired has a strong stigma in some cultures. To be dismissed, as opposed to quitting voluntarily, is often perceived as being the employee's fault. Finding new employment may often be difficult after being fired, particularly if the
