Based on 100 interviews with students who had recently finished first-year writing, Todd Taylor's groundbreaking multimedia text is shaped by student writers like no other textbook before. Their words and voices--in brief videos and example texts--create a conversation about writing that asks students to engage with other college writers personally, learning from their challenges and successes. Conceived as a multimedia text in LaunchPad from the outset, the brief, modular chapters are organized into four parts that support the best practices and content areas in the CWPA Outcomes Statement -- Rhetoric, Context, Process, and Convention -- so that you and your students have just what you need in one resource to support writing, working with

The Prentice Hall Guide for College Writers is organized around a sequence of purposes for writing. Each well-structured chapter contains process-oriented advice on choosing a subject, collecting data, drafting and revising essays for each purpose, and advice on customizing major rhetorical strategies to each purpose. Effective student examples, professional essays, and journal exercises help introduce students to the writing process as it changes with each different purpose.
