Everyone wants to accomplish their goals and live the life of which they dream. But in today's busy age, how do we make that happen? This interactive book helps readers live an intentional life by determining their priorities and tapping into their creativity to create beautiful and functional vision boards and manageable action plans to achieve their goals. Through guided worksheets, vision board templates and samples, and planning pages, author Carrie Lindsey inspires readers to get clear on what they really want and then make it happen. Getting your life in order has never been so much fun! What would happen if you set aside a little time to write down what makes you excited and what drags you down? What if you took it a step further and set specific goals for living your best life? What if that process could be creative, exciting, and lead to actual change? Use the guided worksheets to establish your priorities. Create vision boards that make your goals concrete and attainable. Discover strategies to manifest the life of your dreams. Change is hard, but it's worth it. And with this book, it's also a heck of a lot of fun. Readers also have access to a private Facebook group full of members who are working towards living their dreams.

Learn to create the ultimate vision board to actualize the life you want with this essential guide! A #FutureBoard takes the idea of a vision board one step further—it's a true visual representation of your desired future life. When utilized correctly, it can be a great tool to help you to turn your dreams into reality—and this book shows you how to do exactly that. #FutureBoards explains how to identify and create your ideal future with intention, and shows you step-by-step how to create a fabulous board worthy of your wildest dreams and so you can use it to upgrade your entire life. Get ready to make the life you're dreaming about a reality with your very own #FutureBoard!

17 Nov 2008 Paperback

When the vision is clear, the results will appear. Clarity about your dreams is the single most important step to success! In this book, Terri Savelle Foy shares her journey of using vision boards to accomplish great things and shows how you can too. Discover how vision boards work, what to do after you've made them, and the hidden key to living your dreams. Find out how you can open your imagination and have that childlike faith to believe that anything is possible, and turn your dreams into reality.

THE VISION BOARD BOOK provides a way to create your vision board in a book, in which you envision what you want and decide what action steps to take to get it. But instead of creating your vision on a large board, usually about 24"x36," you create it in an 8 1/2"x11" book. The advantage of this approach is that you can take this book with you wherever you go and look at it whenever you want. You can also readily share this book with others, and you can take a photo of the pages or turn your book into a PDF and share that, too. Plus, with a book you can add in comments, add pages, and otherwise expand on your original vision. It is also easier to carry around. In fact, you can readily create a series of vision boards every year or every few months, so you can both see where you are going and where you have been. Perhaps think of this book like a visual journal or diary in which you record your hopes and dreams and later look back from time to time. But now you have a separate book which you can focus on each day and use to keep track of how you are doing, as well as motivate you to go after and make real what you want.

Our schools and parents teach us only a small fraction of what we need to learn in order to reach our true potential and achieve success. The rest we must learn through our own trials and tribulations. 'Street kid' John Assaraf broke free from a troubled past to create a multi-million dollar empire. In Having it All,

Assaraf tells of his discovery that, no matter what kind of difficult circumstances someone happens to be in at any one time, he or she can achieve whatever they want in life. By combining old-world wisdom and street-smart tactics, Assaraf created the life of his dreams. He shares his method here.

At Last...What Everyone Should Know About Creating A Vision Board In One Easy To Read Book If you are looking to learn about the amazing and mysterious subject of Vision Boards then this could be the most important message you have read all day. Here is why: This book VISION BOARD: Create The Life You Want Using A Vision Board written by master manifestor Devan Skywisdom was recently commissioned with the challenge of succeeding where other books have, so far, failed. You see, there is simply no book out there that brings together the subject of Vision Boards so clearly, so powerfully and in such an easy and entertaining manner. This is a relatively short guide, designed in mind for the earnest seeker looking for perhaps the first time into the mysterious world of Vision Board creation. The idea of course is simple: If We Can See It And Believe It We Can Achieve It! This may sound too good to be true. Or perhaps it sounds like a scam. Read further into this subject in this captivating and thorough book and perhaps you will change your mind. You will start to understand the world of Vision Boards and many of the world's most productive and successful people have used Vision Boards to live their dreams. With the guide in this book you will be able to create your own Vision Board. Get this book today. Make sure it is the very next thing you do. Why wait while the most powerful life changing tool could be in your hands. At this reasonable price if you even only get one great idea from this book (and you will likely get many, many more) you will have made a sound investment.
