“High-style fantasy and adventure” in the complete Lyra series by the author of the Enchanted Forest Chronicles (The New York Times). **Shadow Magic:** While Alkyra’s noblemen squabble, an ancient enemy, the Lithmern, raises an army. And as the head of the Noble House of Brenn attempts to organize an alliance, the princess Alethia celebrates her twentieth birthday. She is quick-witted, beautiful, and handy with a throwing knife. But on the next night, she passes through a dark corridor on her way to the banquet hall, and never emerges from the shadows. The Lithmern have kidnapped the princess. To find her way home, Alethia will have to learn to trust in the old tales, whose legends of magic and daring hold the only hope of saving her kingdom. **Daughter of Witches:** There is no worse time to visit Drinn than during the Midwinter Festival, when the city gates are sealed so that no outsider can witness the temple’s secret rituals. In an inn, where a young woman named Ranira works as an indentured servant for a brutal innkeeper, three guests have overstayed their welcome. Attempting to protect Ranira from her master’s cruelty, the three reveal their magical powers and attract the attention of the temple guards. Now, to save her new friends from certain death, Ranira must unleash the power that cost her parents their lives. **The Harp of Imach Thyssel:** When Emereck and Flindaran leave a caravan in search of adventure, it isn’t long before they stumble upon great danger. Emereck, a trained minstrel, and Flindaran, a nobleman masquerading as a tramp, have found a long-abandoned castle, and in it, one of Lyra’s most sought-after treasures: the Harp of Imach Thyssel. To keep it from falling into the wrong hands, Emereck will have to learn to harness its strength to create and destroy, with the fate of the kingdom hanging in the balance. **Caught in Crystal:** For more than a decade, Kayl has run a modest country inn. She opened it with her husband, and they managed it together until a summer illness took him away, leaving her alone with their two children. The three of them get by, living happily together as the years pass, but everything changes the day a sorceress named Corrana asks for a room. Now, to save her family and her world, Kayl will have to unlock a side of herself that she buried long ago. **The Raven Ring:** When Eleret’s mother is killed, she must travel to reclaim the belongings her mother left behind. The overland journey to the city of Ciaron is treacherous, but Eleret has no fear. She straps a dagger to her leg and sets off to recover one of her mother’s prized possessions: a ring etched with a raven. Eleret doesn’t know what’s special about her mother’s ring, but someone wanted it badly enough to kill for it. And to make it home in one piece, she’ll need to unlock the mysteries of the ring her mother died to protect.

A princess fights a faceless enemy in a forest filled with magic in this tale of “high-style fantasy and adventure” from the author of *Dealing with Dragons* (The New York Times). As the head of the Noble House of Brenn attempts to organize an alliance, the princess Alethia celebrates her twentieth birthday. She is a remarkable woman: quick-witted, beautiful, and handy with a throwing knife. But on the next night, she passes through a dark corridor on her way to the banquet hall, and never emerges from the shadows. The Lithmern have kidnapped the princess. When Alethia regains consciousness, an evil Lithmern with a face made of shadows is carrying her through the forest. These are magic woods, home to fabled creatures whose existence she has always doubted. To find her way home, Alethia will have to learn to trust in the old tales, whose legends of magic and daring hold the only hope of saving her kingdom.

Peopled by humans, Shee, forest-dwelling, Wyrdsd, and watery Neira, Lyra is a place of beauty and peace--or would be, if it were not for the immensely powerful and evil Shadow-born, straining against the bonds that have held them for millenia.

Magic and intrigue go hand in hand in *Mairelon the Magician* and *The Magician's Ward*, two fast-paced novels filled with mystery and romance, set against the intricate backdrop of Regency England. When a stranger offers her a small fortune to break into a traveling magician's wagon, Kim doesn't hesitate. Having grown up a waif in the dirty streets of London, Kim isn't above a bit of breaking-and-entering. A hard life and lean times have schooled her in one lesson: steal from them before they steal from you. But when the magician catches her in the act, Kim thinks she's done for. Until he suggests she become his apprentice; then the real trouble begins. Kim soon finds herself entangled with murderers, thieves, and cloak-and-dagger politics, all while trying to learn how to become both a proper lady and a magician in her own right. Three weeks after Eleret's mother is killed, the messenger arrives with the tragic news. She died far from home, succumbing to wounds sustained in battle, and Eleret must travel to reclaim her belongings. The overland journey to the city of Ciaron is treacherous, but Eleret has no fear. She straps a dagger to her leg and sets off to recover one of her mother's prized possessions: a ring etched with a raven. Though she makes it to Ciaron safely, getting home is another story. To make it home in one piece, she must unlock the mysteries of the ring her mother died to protect.

Snow White and Rose Red live on the edge of the forest that conceals the elusive border of Faerie. They know enough about Faerie lands and mortal magic to be concerned when they find two human sorcerers setting spells near the border. And when the kindly, intelligent black bear wanders into their cottage some months later, they realize the connection between his plight and the sorcery they saw in the forest. This romantic version of the classic fairy tale features an updated introduction by its editor, Terri Windling.

In a series packed with "high-style fantasy and adventure," a servant girl's dormant magic awakens—from the author of the *Enchanted Forest Chronicles* (The New York Times). Drinn is not a safe place to be a witch. Ranira knows that better than most, for when she was just a child, the temple guards burned her parents at the stake for practicing magic. Now an indentured servant for a brutal innkeeper, she lives every day with the shame of her parents' alleged crime. There is no worse time to visit Drinn than during the Midwinter Festival, when the city gates are sealed so that no outsider can witness the temple's secret rituals. And at Ranira's inn, three guests have overstayed their welcome. Attempting to protect Ranira from her master's cruelty, the three reveal their magical powers and attract the attention of the temple guards. Now, to save her new friends from certain death, Ranira must unleash the power that cost her parents their lives.
