Christian Audio Sermons The Perils Of Global Legalism

With "The Perils of Global Legalism", Eric A. Posner explains that such views demonstrate a dangerously naive tendency toward legalism - an idealistic belief that law can be effective even in the absence of legitimate institutions of governance.

The Perils of Global Legalism Hardcover - Amazon.co.uk

The danger of The Perils of Global Legalism is that its inaccurate pessimism about the possibility for cooperation, if it were influential, could delay our achievement of increased welfare. Ideas matter, and we cannot afford to foreclose the pragmatic functionalist middle ground between airy idealism and groundless pessimism. 9

Eric A. Posner. The Perils of Global Legalism | European ...

The Perils of Global Legalism. The first months of the Obama administration have led to expectations, both in the United States and abroad, that in the coming years America will increasingly promote the international rule of law—a position that many believe is both ethically necessary and in the nation's best interests. With The Perils of Global Legalism, Eric A. Posner explains that such views.

The Perils of Global Legalism by Eric A. Posner - Goodreads

With The Perils of Global Legalism, Eric A. Posner explains that such views demonstrate a dangerously naive tendency toward legalism—an idealistic belief that law can be effective even in the absence of legitimate institutions of governance. After tracing the historical roots of the concept, Posner carefully

lays out the many illusions—such as universalism, sovereign equality, and the possibility of disinterested judgment by politically unaccountable officials—on which the legalistic ...

The Perils of Global Legalism Eric A. Posner Abstract. The first months of Barack Obama's administration have led to expectations, both in the United States and abroad, that, in the coming years, the country will increasingly promote the international rule of law—a position that many believe is both ethically necessary and in the nation's ...

Perils of Global Legalism - University Press Scholarship

ERIC A. POSNER, THE PERILS OF GLOBAL LEGALISM (UNIVERSITY OF CHICAGO PRESS, 2009). I. INTRODUCTION In our increasingly complex and interconnected world, problems emerge that cannot be solved by the actions of one nation. For those problems that exceed the scope and capability of individual governments, international law and international ...

The Perils of Global Legalism. - Free ... - thefreelibrary.com

The Perils of Global Legalism This book is a spirited attack on "excessive faith in the efficacy of international law." Posner focuses on the thinking of American and European legal intellectuals who see international law as normatively good for the world regardless of whether it serves specific state interests.

The Perils of Global Legalism

Like economic integrationists, global legalists believe that states will solve global collective action problems because it is in their interest do so, but global legalists, as we will see, do not put as much faith in decentralized action: global legalism is an odd mixture of top-down and bottom-up institutionalization, with states both creating international law and finding themselves caught in its snares against their will.
