productivity varied, with the lighter soils of the south of the county responding more rapidly to London demand.⁶ By no means highly urba-nized, it nevertheless possessed a ?ourishing network of small towns, particularly concentrated in the south-west of the county, exhibited evidence in the early nineteenth century of the growth of consumer and

Poverty, old age and gender in nineteenth-century England ...

In fact Jackson was a slave-owning Southerner and the Civil War was the key event in 19th century US history. Two sections of the US ruling class had to resolve whether the country would make profits through modern industrial capitalism based on wage labour or through a more archaic form of capitalism centred on slave plantations.

A hard road to travel: black people and racism in the 19th ...

There are some exceptions, for example, electoral history, but as a rule we can say that few historians study political institutions such as, for example, political parties. ⁴ Instead of the state and institutions, a great number of political actors came into the focus of political history.

Political Modernity in Latin America: The Nineteenth Century

During the late nineteenth and early twentieth century, there was a social reform going on in the South. The Civil War had ended and Lincoln had freed the slaves. This meant that they were free to join society but they still faced issues. Even though they were freed men now, they still had to deal with poverty and discrimination throughout the South.

Racial Discrimination during the 19th Century

The national stereotype of the South in 1917 can be glimpsed in a study of tobacco usage in the late 19th century written by a Northern historian who paid close attention to class and gender: The chewing of tobacco was well-nigh universal.

Culture of the Southern United States - Wikipedia

The 19th century. Kant's death in 1804 formally marked the end of the Enlightenment. The 19th century ushered in new philosophical problems and new conceptions of what philosophy ought to do. It was a century of great philosophical diversity. In the Renaissance, the chief intellectual fact had been the rise of mathematics and natural science, and the tasks that this fact imposed upon ...

Western philosophy - The 19th century | Britannica

Chapman and Stabler, eds., *Unfolding the South: Nineteenth-Century British Women Writers and Artists in Italy*, is a collection of essays on Anglo-Italian relations during the Victorian and Romantic periods examining the complex relationships between women, the Italian peninsula, and art. Included are discussions of George Eliot and Vernon Lee, among others.

XIII The Nineteenth Century: The Victorian Period | The ...

Characteristic of Christianity in the 19th century were Evangelical revivals in some largely Protestant countries and later the effects of modern Biblical scholarship on the churches. Liberal or modernist theology was one consequence of this. In Europe, the Roman Catholic Church strongly opposed liberalism and culture wars launched in Germany, Italy, Belgium and France.

Synopsis. From the slave trade and the Civil War to "40 acres and a mule" and Jim Crow laws, African Americans in the 1800s struggled to be afforded legally protected citizenship and social acceptance. This work explores African American life across the breadth of the 19th century and the expanse of the nation, giving voice to men, women, and children too often unheard.
