Human beings are inherently sensual. We all share the want and need to indulge in a thirst until no longer thirsty. We want to feel the sensation of a soft touch that makes the body vibrate. We long for satisfaction that feeds the soul with warmth, be it physical or emotional. Skye is a bit na?ve when it comes to relationships. Montgomery is the on again, off again love of her life. Chelsea is the new age college roommate, while Terri is emotional, plain and simple. How will they navigate the world of love, lies, lust, and heartache? They are each swept up in a whirlwind of confusion. Is Skye the innocent damsel in the distress she first appears, or is she a sexually charged vixen? Lines are blurred as Skye takes on men and women in a world of erotic and mind-boggling relationships. Lust has a way of fooling people into thinking it's love, and as lust becomes Skye's fixation, who will pay the highest price: the lover, the cousin, or the wife?
