The SuperJet is a stand-up type personal watercraft made by Yamaha Motor Corporation. Part of Yamaha's WaveRunner line of watercraft, it was introduced in 1990 and has become one of the most successful stand-up personal watercraft ever made. All SuperJets, including the engine, are hand-built in Japan. Credit for the design is given to Clayton Jacobson II. Prior to the introduction of the new Kawasaki SX-R 1500 four stroke on October 6, 2016, it has been the only stand-up sold by a major manufac

It examines how the rapidly developing technology revolution is changing the way business must operate in this unfolding 21st century. It also considers the impact on people and how our daily lives and life styles will change...for ever. In particular there ' s a blueprint and roadmap showing how companies can navigate their way through the rapidly changing environment and still emerge as winners. Everything we are used to is changing. Our computer world of point and click is morphing into Think, Talk and Move, where just thought, voice and simple remote gestures will control 3D holographic displays of data, content and video. Companies will need to reinvent themselves as MCEs, “ multi-channel enterprises ” , in which there is seamless cross-channel interaction with customers and they will also need to change the way their operating systems and processes are organized. The shift of consumer spend to online will see traditional retailing under threat as high street bricks ' n mortar economics are undermined. Expect massive changes among retailers and also the commercial property companies as they restructure their portfolios. New advances in the Cloud will cut costs and time to market and challenge decades of IT infrastructure. Technology generally is now becoming the key source of enablement and competitive advantage.

Finally, a financial plan that lets you be YOU, only richer. It ' s time to throw away all your old notions of what financial advice should look like. Because if you ' re looking for a book to put you on an austerity savings plan that has you giving up vacations and lattes, you ' re out of luck. But if you ' re looking to get your finances in rock-hard shape--in less time than it takes to finish a workout--then Alexa von Tobel, Founder and CEO of LearnVest, has your back.

How? Through the LearnVest Program. First, you ' ll take stock of where you stand today. Then, you ' ll create your customized 50/20/30 plan. 50/20/30 simply refers to the percentage breakdown of how to spend your take-home pay each month. The 50 gets the essentials out of the way so you don't have to stress about them. The 20 sets your foundation for the future, then the 30 is left to spend on the things that bring happiness to your life. By the time you ' re finished reading this book, you ' ll walk away with a financial game plan tailored to your priorities, your hopes and dreams, and your lifestyle. And, because von Tobel and the team at LearnVest are experts at financial planning in the online era, you ' ll also learn how to integrate your financial plan into your mobile, social, digital life. Like your own personal financial planner between two covers, this book will set you up for a secure, worry-free money future, without having to give up things you love. So toss those old-school financial guides out the window, and get ready to start living your richest life.
